Declaration:

Our brand attaches great importance to product quality and customer experience, all our products have been strictly and comprehensively tested before shipment. After receiving the product please avoid the product being squeezed or bumped.
Package Includes:
1 x Ambience Table Lamp,
1 x Adapter
1x IR Remote Control,
1 x Instruction Manual

Important Safeguards:

Before using the electrical appliance, the basic precautions should always be followed to avoid safety problems or damage to the lamps caused by incorrect use as below:

1. Read all operating instructions
2. Please DO NOT disassemble the light without permission
3. Please Do NOT stare at the light source closely
4. The sound source is better recognized by maintaining a range of 1M while using the Rhythm Function
5. The product is recommended for indoor use. Prevent foreign objects from entering the body and causing product failure
6. Avoid using in humid or dusty environments
7. Please DO NOT frequently switch ON/OFF the lights for a short period of time. Continuously working for too long will also affect the life of the products
8. Based on the characteristics of semiconductor light source, the working environment temperature is required to be -10~45 degrees

Tips: Be sure to read the manual precautions carefully before using.
We are not responsible for any malfunction or physical damage caused by ignoring the operation manual.
