## HP P22h G5 LED LCD Monitor

### Introduction

Expand your view and your productivity with this 21.5-inch diagonal, FHD monitor when you're working from home or at the office. This sleek, space-conscious monitor makes hybrid work easy and complete via a crisp, smooth screen, built-in audio, and simple design, so you can do more every day.

### See and Hear the Complete Picture

Enjoy a seamless hybrid work experience complete with excellent views and clear sounds. This IPS monitor boasts FHD resolution and 75Hz refresh rate for sharp images and fluid motion, while the built-in dual speakers provide full, distinct audio.

### Modern Design. Functional Fit.

Clear your mind and your desk with a monitor designed to work in any space. Keep the focus on your screen through the sleek 3-sided micro-edge bezel, neat cable management, and 27% smaller stand base with adjustable tilt and height for your perfect view.

### Easy Control. Easy Management.

Make your workspace as simple as possible, so you can concentrate on what you do best. Easily setup your monitor by customizing your settings with the intuitive Joypad OSD button or manage settings and updates directly from the screen with HP Display Center and HP Display Manager .

### Reduce. Repurpose. Recycle.

To do more for the planet, we are helping to close the loop by repurposing IT equipment in our newest EPEAT® registered and ENERGY STAR® monitors. To go above and beyond, these monitors contain 85% recycled plastics solely from recycled ITE plastics . Plus, this monitor ships in 100% recyclable packaging

### Featuring

- **75 Hz Refresh Rate**
  - Experience smooth, life-like video and clear detail with a 75 Hz refresh rate that provides fluid movement

from frame to frame.

- **Adjustable Tilt and Height**

- The tilt and 100 mm height-adjustable stand helps deliver the perfect view to maximize productivity.

- **Built-In Dual 2W Speakers**

- Listen to music, meetings and more with the built-in, dual 2W speakers.

- **3-Sided Micro-Edge Bezel**

- See and do more on your screen with a 3-sided micro-edge bezel that maximizes your viewing area for a sleek design and seamless dual-monitor setups.

- **Easy Joypad OSD Button**

- It's never been easier to configure your display with the Joypad OSD button to adjust brightness, resolution, and volume.

- **Low Blue Light Mode**

- Keep your eyes comfortable with subtly warmer display colors onscreen.

- **With the Environment in Mind**

- Meeting the latest standards with EPEAT® registered, ENERGY STAR® and TCO certifications.

- **Thoughtful Product Packaging**

- We use 100% recyclable packaging that meets recycling requirements, so it can stay out of the landfill.

- **Neat Cable Management**

- Neat cable management solution for a cleaner workspace and more productivity.

- **HP Display Manager**

- Manage deployment, asset tracking and monitor settings remotely.

- **HP Display Center**

- Customize your display with easy, intuitive HP Display Center software that lets you tailor your settings, partition screens, and even dim the screen.

- **Maximize Desk Space**

- A 27% smaller stand for a cleaner workspace.

- **HP B200 PC Mounting Bracket**

- Save space by attaching the B200 bracket to the base of the monitor and your PC.
