### HP Wireless Mini Keyboard

**Just the right mobile companion for your tablet or entertainment PC**

The HP Wireless Mini Keyboard combines style and high-tech design. The black finish along with the low profile key design offers a distinctive style. The reduced foot-print design saves desktop space.

With HP's Link-5 technology, you can connect up to five compatible HP accessories to one micro receiver, and never worry about swapping cables or receivers again. No drivers, no software installation – no worries.

### Features and Benefits

- **Portable productivity** – Handheld, in-lap or desktop text and mouse operation, this small and lightweight keyboard easily goes wherever you want to go. Slips into your netbook sleeve

- **Built-in mouse navigation** – No need to pack an additional mouse with built-in OFN and mouse buttons
- **OFN (Optical Finger Navigation)** – Smooth and accurate pointing with advanced technology optical finger navigation that has no moving parts that can break and need cleaning
- **Design and Performance** – Sleek keys for modern design style. Control your entertainment experience with a comprehensive set of multimedia keys
- **Silent Operation** – Type quietly on the advanced, ultra-thin island-style keyboard
- **Wireless freedom** – Free yourself from wires with a wireless keyboard – up to 32 feet. Advanced 2.4GHz wireless technology for less interference and longer and longer range of operation to work further away
- **Compact Design** – Compact size for easy storability/portability – perfect for the living room
- **Long Battery Life** – Count on long battery life thanks to intelligent sleep mode; when batteries do run low, the status LED alerts you

## Link-5 Connectivity

- **Liberate your USB ports** – Connect up to five HP compatible computer accessories with just one micro receiver. Just press the connect button on your Link-5 device to pair it to your PC; no drivers or software installation needed. The micro receiver is so small you can leave it plugged into your desktop or notebook, or store it safely inside your Link-5 accessory.
- **Convenience you cherish** – Ideal for easily moving your notebook between different home and office set-ups, without needing to swap receivers or cables. Roam up to 30ft (10m) from your computer with your HP Link-5 accessories.
