**HQ POWER VDPLBPXS Set OF10 LED Ball Strings for VDPLBPX**

## Product Information

- Product Name: VDPLBPXS
- Manufacturer: Velleman nv
- Product Type: Extension Kit for VDPLBPX

## Features

- Consists of 10 strings
- Each string is 1 m long
- Each string features 5 globes
- 25 globes with RGB SMD LEDs

## Technical Specifications

- LED source pixel pitch diameter projection angle

## Product Usage Instructions

1. Use this device with original accessories only.
2. Do not use the device in any other way than described in the manual.
3. Visit the website [www.hqpower.eu](http://www.hqpower.eu) for more information about the product and the latest version of the manual.
4. Refer to the manual for important environmental information about the product.
5. Ensure that you have the necessary number of strings to cover your desired area.
6. Connect the strings together to form a continuous chain.
7. Place the globes in the desired locations, ensuring even spacing.
8. Connect the device to a suitable power source.
9. Follow the instructions in the manual for controlling the RGB SMD LEDs.
10. Do not modify or tamper with the device in any way.

**Note:** The information in this manual is subject to change without prior notice. Please refer to the website for the

latest version of the manual.

## Introduction

To all residents of the European Union Important environmental information about this product, This symbol on the device or the package indicates that disposal of the device after its lifecycle could harm the environment. Do not dispose of the unit (or batteries) as unsorted municipal waste; it should be taken to a specialized company for recycling. This device should be returned to your distributor or to a local recycling service. Respect the local environmental rules. If in doubt, contact your local waste disposal authorities. Thank you for choosing HQPower™! Please read the manual thoroughly before bringing this device into service. If the device was damaged in transit, do not install or use it and contact your dealer.

## General Guidelines

Refer to the Velleman® Service and Quality Warranty on the last pages of this manual.

## Features

## Velleman Service and Quality Warranty

Since its foundation in 1972, Velleman® acquired extensive experience in the electronics world and currently distributes its products in over 85 countries. All our products fulfill strict quality requirements and legal stipulations in the EU. In order to ensure quality, our products regularly go through an extra quality check, both by an internal quality department and by specialized external organizations. If, all precautionary measures notwithstanding, problems should occur, please make an appeal to our warranty (see guarantee conditions). General Warranty Conditions Concerning Consumer Products (for EU): All consumer products are subject to a 24-month warranty on production flaws and defective material as from the original date of purchase. Velleman® can decide to replace an article with an equivalent article or to refund the retail value totally or partially when the complaint is valid and a free repair or replacement of the article is impossible, or if the expenses are out of proportion. You will be delivered a replacement article or a refund at the value of 100% of the purchase price in case of a flaw occurred in the first year after the date of purchase and delivery, or a replacement article at 50% of the purchase

price or a refund at the value of 50% of the retail value in case of a flaw that occurred in the second year after the date of purchase and delivery.

### Not covered by warranty

all direct or indirect damage caused after delivery to the article (e.g. by oxidation, shocks, falls, dust, dirt, humidity...), and by the article, as well as its contents (e.g. data loss), compensation for loss of profits;

- consumable goods, parts, or accessories that are subject to an aging process during normal use, such as batteries (rechargeable, non-rechargeable, built-in or replaceable), lamps, rubber parts, drive belts... (unlimited list);
- flaws resulting from fire, water damage, lightning, accident, natural disaster, etc....;
- flaws caused deliberately, negligently, or resulting from improper handling, negligent maintenance, abusive use, or use contrary to the manufacturer's instructions;
- damage caused by commercial, professional, or collective use of the article (the warranty validity will be reduced to six (6) months when the article is used professionally);
- damage resulting from inappropriate packing and shipping of the article;
- all damage caused by modification, repair, or alteration performed by a third party without written permission by Velleman®.
- Articles to be repaired must be delivered to your Velleman® dealer, solidly packed (preferably in the original packaging), and completed with the original receipt of purchase and a clear flaw description.

**Hint:** In order to save on cost and time, please reread the manual and check if the flaw is caused by obvious causes prior to presenting the article for repair. Note that returning a non-defective article can also involve handling costs.

- Repairs occurring after warranty expiration are subject to shipping costs.
- The above conditions are without prejudice to all commercial warranties.
- The above enumeration is subject to modification according to the article (see the article's manual).
