## Set Up HUGOAI Smart Lamp with Smart Life App

**Step One:** Install the Smart Life app and register an account.

1. Download the latest version of **"Smart Life"** app from the Apple Store/ Google Play Store.

   **"Smart Life" app**

2. Open the Smart Life app, tap **"Register"** and follow the on-screen prompts to create your Smart Life account.

   **Log in page**

**Step Two:** Prepare the Lamp for Connection

1. Connect the lamp to power supply and press the Power Button to turn it on.

**Turn on the light**

**Recharge**

2. You will see the indicator flashing quickly in green, which means that the lamp is ready to be connected.

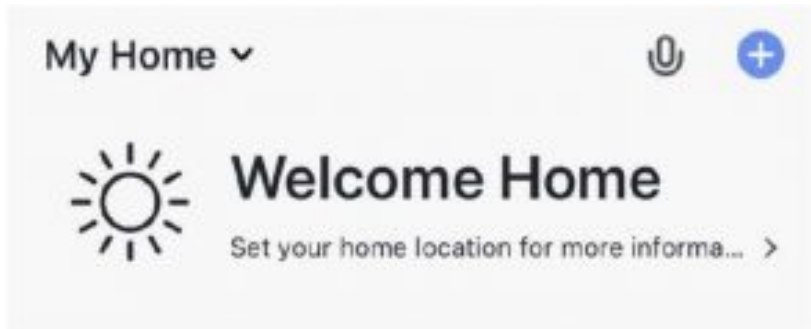

**Flashing green light**

3. If there is no flashing green light, please press the Timer button for more than 15 seconds until the flashing green light appears.

**Hold "Timer" for 15seconds**

**Step Three:** Add the Lamp to Smart Life

1. Tap "**+**" on the right top corner of the user interface.

2. Tap "**Lighting**" and then select the "**Lighting(Wi-Fi)**". Please do not select "**Bluetooth**" and "**ZigBee**".

3. Enter your WIFI password and you will see the connecting progress of the Lamp.

**\*NOTE:** The HUGOAI lamp only works with 2.4GHz band WIFI.

4. Wait till the prompt "Add successfully" appears and the lamp will appear in your Smart Life app.

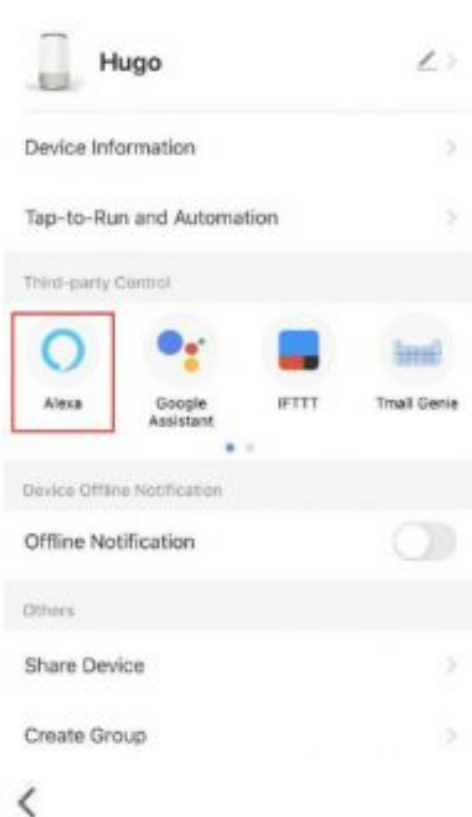

**\*NOTE:** If you have trouble setting up the lamp, please email us at **support@hugo-ai.com**. We will help you get through the connecting process.
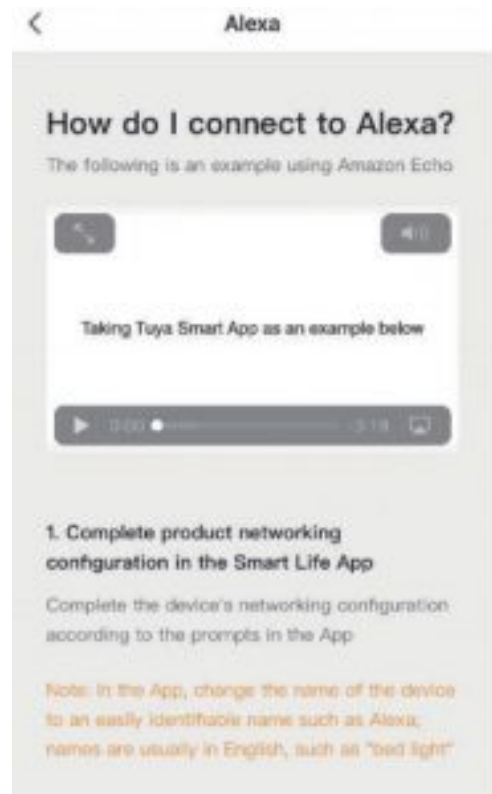

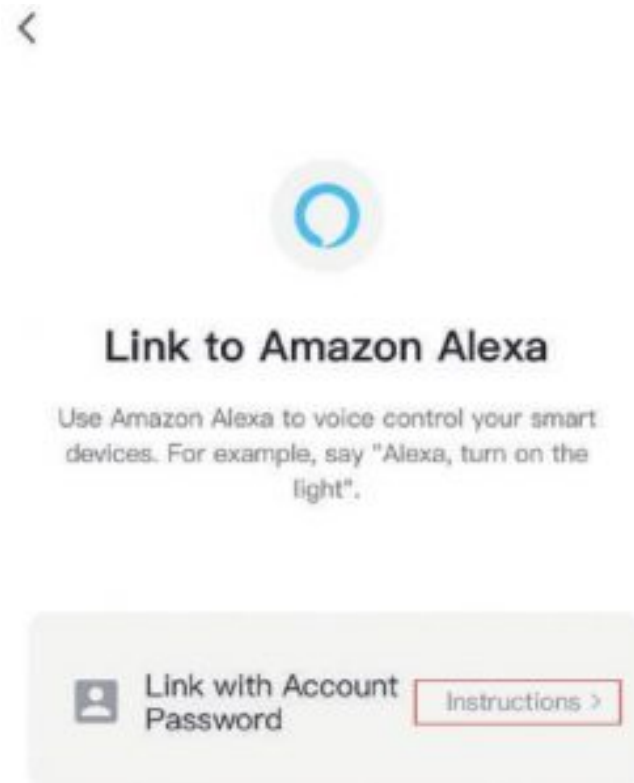

## Control HUGOAI Smart Lamp with Alexa/Google Assistant

1. Before you get started to connecting the lamp with Alexa/Google Assistant, please make sure: You have set up the Lamp, including assigning a name to it. An easy-to understand name will help you connect to the controller much more easily. The lamp connects to the same wireless network with the third-party controller.
2. Open the app of Alexa/Google Assistant and follow its instructions to   add the lamp.
3. You can also find a detailed instruction in Smart Life app  Open **"Smart Life"**– Select the lamp-Tap from the top right corner – Tap  the logo of Alexa/Google Assistant.
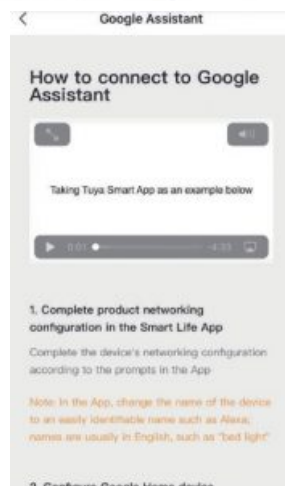

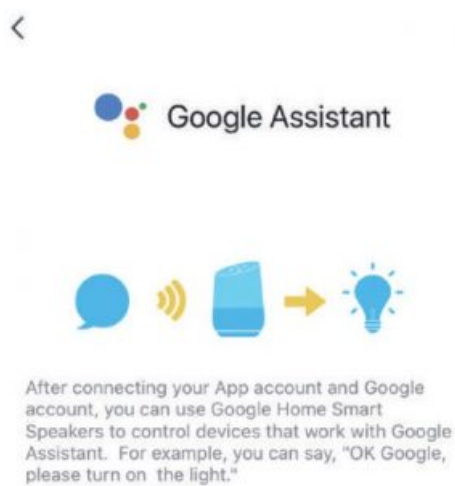

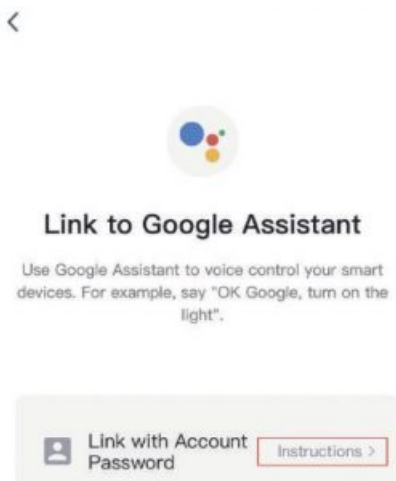

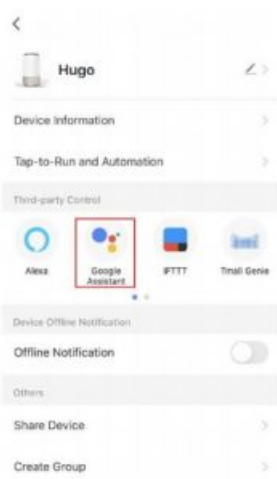

**Alexa**

**Google Assistant**

**Tap the logo of Google Assistant**
