Hyfire BIM Objects Taurus

Product Information

BIM Objects Taurus is a product that provides Building Information Modeling (BIM) objects for Revit FM Content

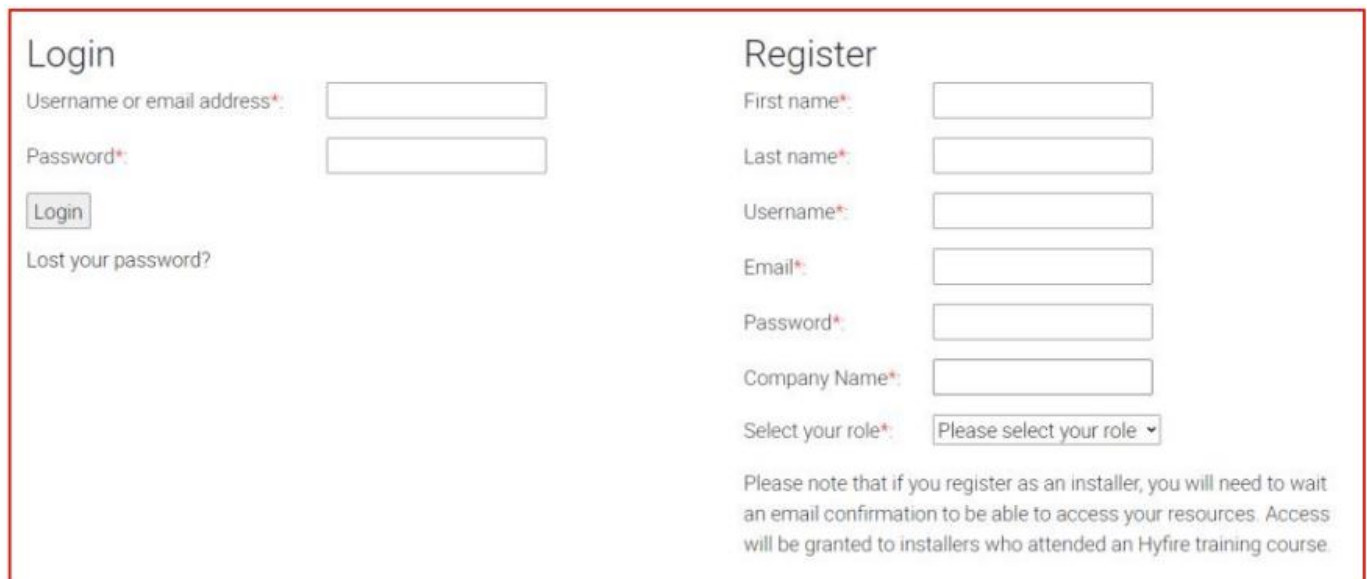

Setup. These BIM objects are available for download from the Hyfire website.

Product Usage Instructions

1. Register or login on the Hyfire website: <https://hyfirewireless.com/registration>
2. Access the BIM Object folder and download the files.
3. Install the Family Manager:
 1. Double click on the file FamilyManagerv2q Setup to open it.
 2. Click and expand more info.
 3. Select “run anyway”.
 4. Select “Install” and Finish.
4. Launch Hyfire – Revit FM Content Setup:
 1. Double click on the file Hyfire v1.4 – Revit FM Content Setup.
 2. Click “Install”.
 3. Then “Finish”.
5. Using Revit, you can find the Family Manager available in the bottom left corner.

Register or login

Register or login on Hyfire website: <https://hyfirewireless.com/registration>.

The screenshot shows the Hyfire website's registration and login interface. It is divided into two main sections: 'Login' on the left and 'Register' on the right. The 'Login' section includes fields for 'Username or email address*' and 'Password*', a 'Login' button, and a link for 'Lost your password?'. The 'Register' section includes fields for 'First name*', 'Last name*', 'Username*', 'Email*', 'Password*', 'Company Name*', and a dropdown menu for 'Select your role*'. Below the registration fields, there is a note: 'Please note that if you register as an installer, you will need to wait an email confirmation to be able to access your resources. Access will be granted to installers who attended an Hyfire training course.'

Login	Register
Username or email address*: <input type="text"/>	First name*: <input type="text"/>
Password*: <input type="password"/>	Last name*: <input type="text"/>
<input type="button" value="Login"/>	Username*: <input type="text"/>
Lost your password?	Email*: <input type="text"/>
	Password*: <input type="password"/>
	Company Name*: <input type="text"/>
	Select your role*: <input type="text" value="Please select your role"/>

Please note that if you register as an installer, you will need to wait an email confirmation to be able to access your resources. Access will be granted to installers who attended an Hyfire training course.

Access the BIM

Access the BIM Object folder and download the files.

Install the “Family Manager”

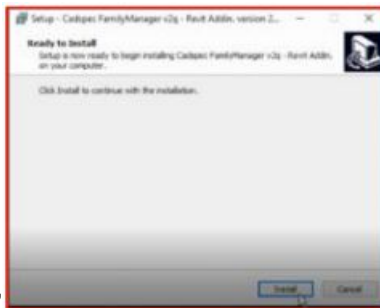

1. Double click on file “FamilyManagerv2q Setup” to open it

2. Click and expand “more info”

3. Select “run anyway”

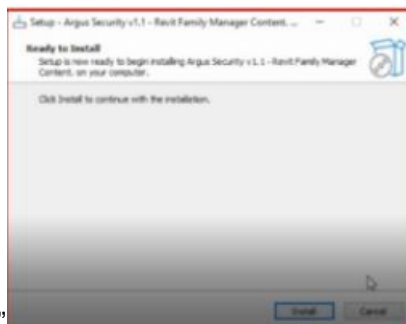

4. Select “Install” and “Finish”

Then launch Hyfire – Revit FM Content Setup

5. Double click on the file “Hyfire v1.4 – Revit FM Content Setup”

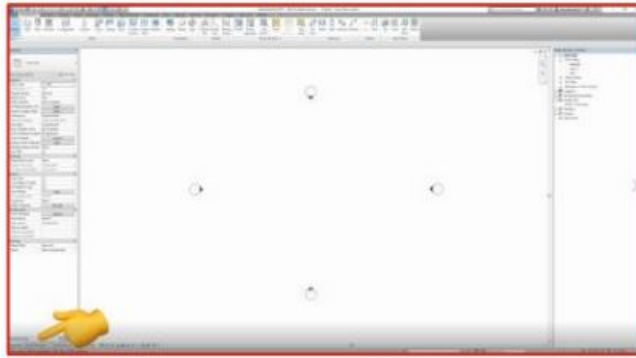

6. Click “Install”

7. Then “Finish”

Then using Revit you can find in the bottom left corner the Family Manager available:

Hyfire Wireless Fire Solutions Ltd, Unit B12a, Holly Farm Business Park Honiley, Warwickshire CV8 1NP
