Lets see what's in the box

i3-Technologies is conscious about the environmental impact of the products that we produce. Therefore we would like you to support us in this mission by disposing all packaging according to any local regulations.

To check if we packed your product correctly, please verify if all these items are present:

- 1x USB-C cable 3m
- 1x Passive Stylus
- 1x Wifi Module
- Power cords EU/US/UK
- i3SIXTY Moblile Stand

Is something missing or does it look damaged?
We're so sorry, please contact our support service on **service@i3-technologies.com**, or contact your local reseller.

Time to set things up

Follow the instructions in the installation manual, delivered in the box with the i3SIXTY Mobile Stand.

Use the Setup Wizard to guide you through the configuration and update your device's features (*).

Your i3SIXTY 2 may initially not have all the latest features installed yet.
Connect your device to the internet via Wi-Fi or ethernet to download and install all features. While connected to the internet, the Setup Wizard will fully optimize your device.

Rotate

The i3SIXTY 2 can rotate the display from landscape to portrait, not only physically, but also all software is designed to follow i3SIXTY 2 motions. Whiteboarding, presenting, browsing, even video conferences. Choose your prefered position and the i3SIXTY 2 will adapt.

Powered by i3STUDIO

Discover and learn about all the features of i3STUDIO software suite in the online user manual.

## Set the stage to collaborate.

i3STUDIO

Enter i3STUDIO

Our interactive displays are powered by i3STUDIO – our free pre-installed software suite. i3STUDIO delivers everything you need to accomplish your best lesson, pitch, presentation or brainstorming session. Leave the room dazzled.

Start whiteboarding

The whiteboard button opens an interactive whiteboard that allows you to take notes, make drawings or facilitate work-shops. The output can be shared very easily with all participants.

Start presenting.

Content from other devices can be streamed to the display with a push of a button. Also, your i3SIXTY 2 can cast its own screen content to another compatible i3TOUCH device as well.

Important warranty information

Our i3SIXTY 2 devices are equipped by default with a 3-year warranty. If you have acquired the interactive display for educational purposes, this warranty can be extended.
