**iCON D1 Dynamic Microphone**

## Introduction

Thank you for purchasing the ICON D1 dynamic microphone. We sincerely trust this product will provide years of satisfactory service, but if anything is not to your complete satisfaction, we will endeavor to make things right. In these pages, you'll find a detailed description of the features of the D1 dynamic microphone, as well as a guided tour through their front and rear panels, step-by-step instructions for their setup and use, and full specifications.

Please register the product on our website at the below link [www.iconproaudio.com/registration](http://www.iconproaudio.com/registration):

You'll also find a warranty card enclosed—please don't forget to fill it out and mail it so that you can receive online technical support at: [www.iconproaudio.com](http://www.iconproaudio.com). And so we can send you updated information about these and other ICON products in the future. As with most electronic devices, we strongly recommend you retain the original packaging. In the unlikely event the product must be returned for servicing, the original packaging (or reasonable equivalent) is required.

With proper care and adequate air circulation, your D1 dynamic microphone will operate without any trouble for many years. We recommend that you record your serial number in the space provided below for future reference.
