3

## ECOLOGICAL NOTES

Upon completion of installation, please remember to dispose of the packaging and assembly waste in accordance with the regulations in effect in the country where the product will be used.

## PRODUCT LIFE-CYCLE

At the end of its useful life, entrust the unit to the local waste disposal company.

## PRODUCT INFORMATION

Metal frame; Finishes: Matt black or Chrome frame

## SAFETY

 Incorrect installation and/or use of the item for any purpose other than that for which it was intended can be dangerous or cause possible injury to users. Maximum Shelf Loading: 17 kg evenly distributed.

## MAINTENANCE AND CLEANING

When cleaning chromed products use only a mild detergent, rinse & wipe dry with a soft cloth. Ideally clean after each use to maintain appearance. Never use abrasive, scouring powders or scrapers. Never use cleaning agents containing alcohol, ammonia, hydrochloric acid, sulphuric acid, nitric acid, phosphoric acid or organic solvents. Use of incorrect cleaning products / methods may result in chrome damage which is not covered by the manufacturer's guarantee.

### Guarantee:

Product warranty takes effect as of the purchase date of the product, as shown on the invoice or receipt and for the period granted under applicable law. Product warranty granted by law only covers defects (appearance, dimension, operation) existing at the time of delivery resulting from manufacturing errors, as verified and confirmed by the manufacturer's after-sales service technical staff. Normal wear is not included.
