Product Usage Instructions

Installation

1. Identify a suitable location on the wall for mounting the mirror.
2. Ensure the mounting surface is flat, stable, and can support the weight of the mirror.
3. Use appropriate tools to securely mount the mirror on the wall following the provided instructions.

Operation

1. Connect the mirror to a power source using the provided cable.
2. Use the switch located on the mirror to turn the light on and off as needed.
3. Adjust the lighting direction or intensity according to your preference.

Maintenance

Regularly clean the mirror surface and light fixtures using a soft, non-abrasive cloth to maintain its appearance and performance.

Safety Precautions

Do not expose the mirror to water or moisture to prevent electrical hazards.

FAQ

• Can I replace the light bulbs in this mirror?

The integrated lighting in this mirror is designed to be long-lasting and energy-efficient, and the bulbs are not replaceable. If you encounter any issues with the lighting, please contact customer support for assistance.

• Is this mirror suitable for use in bathrooms?

While the mirror itself is well-suited for various spaces, it is recommended to avoid installing it in areas with high humidity, such as bathrooms, to ensure the longevity of the product.
