iFeiFan HW-06 4-in-1 Portable AC

INTRODUCTION

At about **\$45.95**, the iFeiFan HW-06 is a portable air cooler that is both small and strong. With its 1,500 mL sealed water tank, it can cool continuously for up to 10 hours. This device is perfect for intimate places like bedrooms, offices, or dorms because it has three adjustable wind speeds, two cool mist modes, and a 1/3/6-hour timer. It is USB-powered (5 V DC), controlled by a remote control (up to around 16 feet), has seven ambient LED colors, and is low-noise (about 32 dB). It weighs only 2.1 lbs and is small ($6.7 \times 6.8 \times 11.42$ "), making it portable and easy to use without installation. Constructed from ABS materials, it has a sleek black appearance, an easy-to-use water-level window for monitoring, and a low-water auto-shutdown protection.

SPECIFICATIONS

Brand	iFeiFan
-------	---------

Model	HW-06 (4-in-1 Portable AC)
Price	\$45.95
Tank Capacity	1,500mL (sealed)
Fan Speeds	3 (Low, Mid, High)
Mist Modes	2 (Low-Cool, High-Cool)
Timer Options	1hr, 3hr, 6hr
Noise Level	~32dB
LED Lights	7 colors
Power Source	5V DC via USB-C
Water-Level Indicator	Yes
Auto Shutdown	Yes (when water is low)
Dimensions (D×W×H)	6.7" × 6.8" × 11.42"
Weight	~2.1lb
Remote Range	~16ft
Material	ABS plastic
Color	Black
Origin	China
First Availability	April 21, 2025

WHAT'S IN THE BOX

- iFeiFan HW-06 unit
- USB-C power cable (≈5ft)
- Remote control

- User manual

FEATURES

- **Multifunction Use:** Combines fan, humidifier, cooler, and nightlight in one device
- **Water Tank Capacity:** 1500mL sealed tank allows up to 10 hours of misting

- **Cooling Speed:** High-powered motor delivers refreshing air in just 2 seconds
- **Fan Speeds:** Three wind settings—Low, Medium, and High for comfort control

- **Mist Modes:** Choose between Low-Cool Mist and High-Cool Mist for tailored cooling
- **Airflow Control:** Manually tilt up to 120° for better air direction
- **Timer Options:** Set auto shut-off for 1, 3, or 6 hours based on your needs
- **Night Light:** Built-in 7-color ambient LED adds a relaxing glow
- **Noise Level:** Operates at just 32dB for whisper-quiet performance

- **Safety Feature:** Automatically powers off when water runs low
- **Water Level Display:** Easy-to-read indicator shows when it's time to refill
- **Power Supply:** Runs on USB-C power for energy-efficient performance

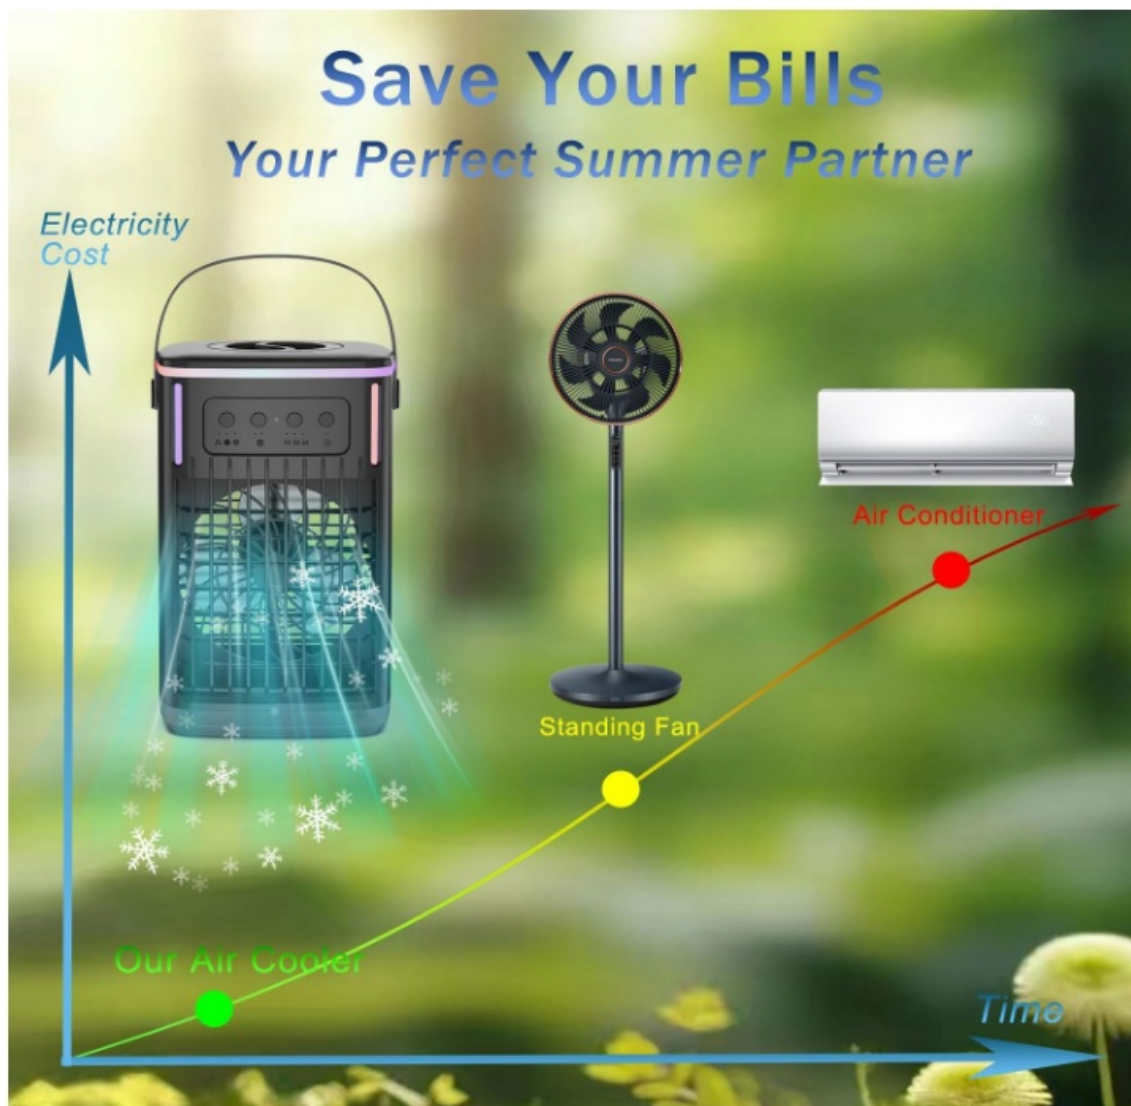

- **Remote Control:** Full control from up to 16.4 feet away
- **Plug & Play:** No installation required—just connect and start using
- **Portability:** Weighs only 2.1lbs, making it easy to move and carry

SETUP GUIDE

- **Unboxing:** Take all parts and accessories out of the box
- **Placement:** Set the unit on a flat, steady surface
- **Filling the Tank:** Open the water tank cover and fill with clean water or ice
- **Seal Securely:** Close the lid tightly to avoid leaks
- **Power Connection:** Plug the USB-C cable into a 5V power adapter
- **Startup:** Insert the other end into the unit and press the power button
- **Fan Control:** Use the control panel or remote to select your fan speed
- **Mist Selection:** Choose between Low or High mist modes
- **Air Direction:** Adjust the fan head manually to aim airflow
- **Lighting:** Turn on the LED nightlight and pick a preferred color
- **Timer Setting:** Use the timer for 1, 3, or 6-hour operation
- **Refill Reminder:** Keep an eye on the water level during extended use
- **After Use:** Turn off the fan and unplug it when not needed

CARE & MAINTENANCE

- **After Each Use:** Empty the water tank and let it dry
- **Exterior Cleaning:** Wipe the outer surfaces with a soft, damp cloth
- **Weekly Tank Clean:** Wash the tank with mild soap and water
- **Water Quality:** Use distilled water to reduce mineral buildup
- **Drying:** Make sure all parts are fully dry before refilling
- **Dust Control:** Keep air vents clear of dust or blockages
- **Storage:** Store in a cool, dry area when not in use
- **Cleaning Products:** Avoid harsh chemicals or cleaning agents
- **Submersion Warning:** Never place the unit directly in water
- **Cable Check:** Inspect the USB-C cable regularly for wear or damage
- **Mist Nozzle Care:** Use a cotton swab monthly to clean mist outlets
- **Before Cleaning:** Always switch off the unit completely
- **Drying Internals:** Let it run briefly without mist to dry inside parts

- **Light Panel:** Gently clean LED light area using a microfiber cloth

TROUBLESHOOTING

Issue	Possible Cause	Solution
Unit not turning on	Loose cable or no power	Check USB connection and power a dapter
Weak airflow	Low fan speed selected	Increase fan speed
No mist output	Tank empty or nozzle blocked	Refill tank or clean mist outlet
Lights not working	Light function off	Use remote or panel to turn lights on
Remote not responding	Low battery or out of range	Replace battery and stay within 16.4 ft
Water leaking	Tank not sealed properly	Reseal lid and check for cracks
Noise while running	Dust in fan or mist outlets	Clean vents and internal parts
Auto shut-off engaged	Water level too low	Refill water tank
Mist smells odd	Stale water or dirty tank	Clean tank and use fresh distilled water
Timer not working	Incorrect timer set	Reset timer via remote or panel

PROS & CONS

Pros:

- 4-in-1 versatility in one compact device
- Long cooling duration (up to 10 hrs)

- Remote control enhances convenience
- Quiet operation ideal for sleep/work
- LED lights create calming ambiance

Cons:

- Only suitable for personal use, not large rooms
- Must remain plugged in (no battery)
- Manual airflow adjustment
- Requires regular refilling with water/ice
- Remote range limited to 16.4 ft

WARRANTY

The iFeiFan HW-06 typically includes a **1-year** limited manufacturer warranty and a 30-day return policy. Be sure to retain your purchase receipt and packaging for any warranty claims. Specific terms may vary by retailer.

FREQUENTLY ASKED QUESTIONS

What functions does the iFeiFan HW-06 4-in-1 Portable AC offer?

The iFeiFan HW-06 serves as a cooling fan, air conditioner, humidifier, and night light, making it ideal for use in bedrooms, offices, dorms, and camping setups.

What is the water tank capacity of the iFeiFan HW-06, and how long does it last?

The unit features a 1500mL water tank, providing up to 10 hours of operation in low mist mode. It automatically switches to fan mode when the tank runs dry.

How many wind speeds and mist modes are available on the iFeiFan HW-06?

The iFeiFan HW-06 includes 3 wind speeds (Low/Mid/High) and 2 mist modes (Low-Cool and High-Cool Mist) for customized comfort.

What are the timer options available on the iFeiFan HW-06 Portable AC?

You can set timers for 1 hour, 3 hours, or 6 hours, offering flexible scheduling for sleep or work environments.

How loud is the iFeiFan HW-06 during operation?

The iFeiFan HW-06 runs quietly at just 32 dB, thanks to its optimized airflow system, making it ideal for night use or quiet workspaces.

Can I add ice to the iFeiFan HW-06 water tank for extra cooling?

The iFeiFan HW-06 supports the use of ice cubes in the tank to enhance the cooling performance during hot weather.

What happens if the iFeiFan HW-06 runs out of water while in mist mode?

The unit automatically switches to natural fan mode to prevent damage, and a low water indicator notifies you when it needs refilling.
