IKEA AA-1009450-12 KALLAX Shelf Unit With Doors

Product Information

- The product is called KALLAX. It is a piece of furniture that is designed for storage and organization purposes.
- The product comes with a warning regarding the risk of furniture tip-over, which can cause serious or fatal crushing injuries. To prevent tip-over, the furniture must be used with the wall attachment device(s) provided.
- The package does not include screws and plugs for the wall. Users should use screw(s) and plug(s) that are suitable for their walls. If unsure, it is recommended to seek professional advice.

Product Usage Instructions

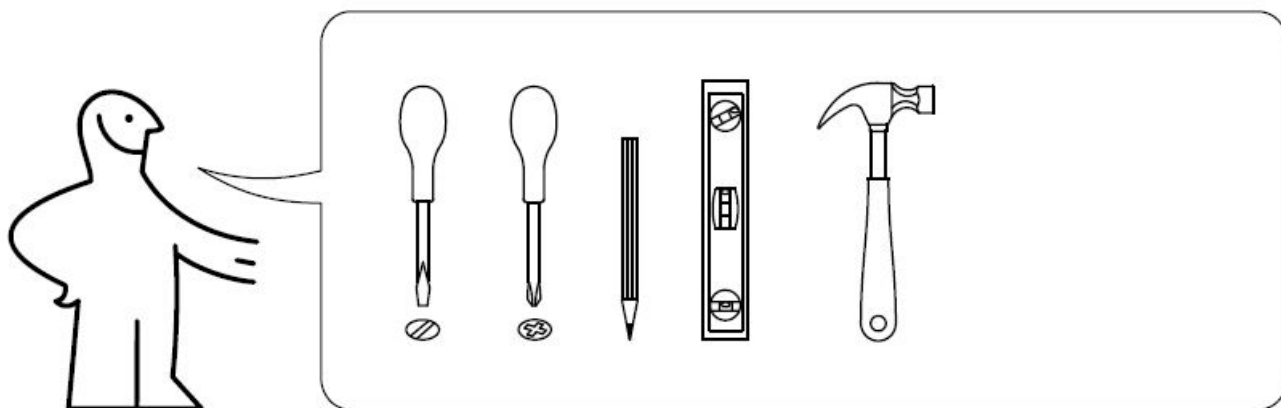

1. Before assembling the KALLAX furniture, make sure you have the wall attachment device(s) provided.
2. Identify the suitable location on the wall where you want to place the furniture.
3. Using a suitable screwdriver or drill, attach the wall attachment device(s) to the wall at the designated location.
4. Ensure that the attachment device(s) are securely fastened to the wall.
5. Place the KALLAX furniture in front of the wall attachment device(s) and align it with the designated location.
6. Using the provided screws, attach the KALLAX furniture to the wall attachment device(s) by inserting the screws into the pre-drilled holes on the back of the furniture.
7. Tighten the screws securely to ensure proper stability.
8. Verify that the KALLAX furniture is firmly attached to the wall by applying gentle pressure to check for any movement or instability.

It is crucial to follow each step of the instructions carefully to prevent furniture tip-over and ensure safe usage of the product.

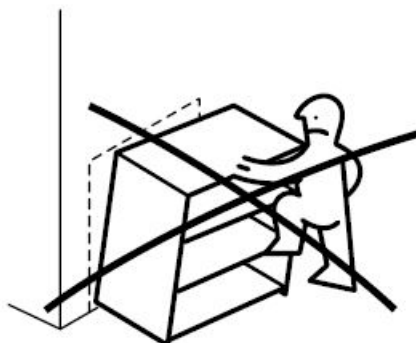

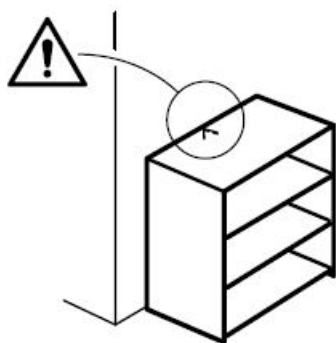

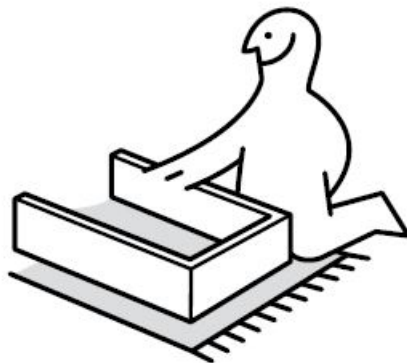

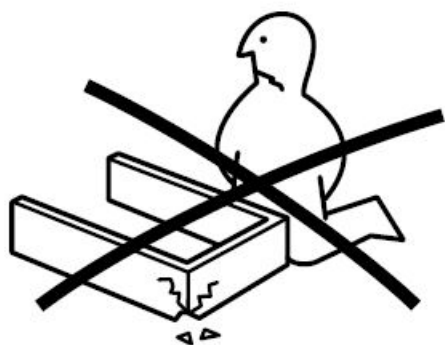

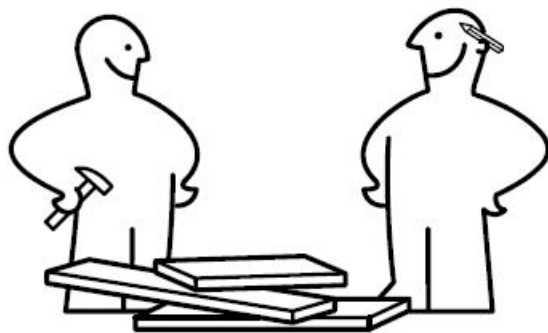

WARNING!

- Serious or fatal crushing injuries can occur from furniture tip-over. To prevent tip over this furniture must be used with the wall attachment device(s) provided.
- Screw(s) and plug(s) for the wall are not included. Use screw(s) and plug(s) suitable for your walls. If you are uncertain, seek professional advice. Read and follow each step of the instruction carefully.
