IKEA HONEFOSS Self Adhesive Mirror

Specifications

- **Product:** Self-adhesive mirror

- **Surface Compatibility:** Most even surfaces
- **Not Recommended for** Ceilings, sloping ceilings
- **Recommended Treatment for Porous Surfaces:** Coating with high-gloss lacquer
- **Safety Feature:** Safety film on the back to minimize damage in case of glass breakage

Product Usage Instructions

- **Preparation:**
 - Ensure the wall surface is clean and dry before fixing the mirror.
 - Clean and dry the back of the mirror before applying the tape.
- **Application:**
 - Position and fix the tape according to the illustration in the assembly instructions.
 - Ensure the mirror is correctly positioned and fixed from the start as the tape cannot be reused.
 - Avoid fixing the mirror to ceilings or sloping ceilings.
 - For porous surfaces like plywood and fibreboard, improve adhesion by coating with high-gloss lacquer.
- **Important Notes:**
 - Be cautious when removing the mirror from the wall as it may break.
 - The adhesive strip cannot be reused, so ensure correct positioning during initial installation.
- **Self-adhesive mirror**
 - **Note:** The surface can be damaged when removing the mirror from the wall.
 - The mirror is fixed to most surfaces which are even. Fixing mirrors to ceilings and sloping ceilings is not recommended.
 - On porous surfaces like plywood and fibreboard, adhesion can be improved if the surface is first coated with high-gloss lacquer.
 - Wipe the wall surface so that it is clean and dry before fixing the mirror.
 - Wipe the back of the mirror so that it is clean and dry before sticking the tape on it.
 - Position and fix the tape according to the illustration in the assembly instructions.
 - Remember to position and fix the mirror correctly from the start since the tape cannot be reused.
 - The mirror may break when removing it from the wall.
 - Our mirrors come with a safety film on the back to minimize damage in case the glass breaks. Be careful.

FAQs

- **Q: Can I reuse the adhesive tape when repositioning the mirror?**
 - **A:** No, the adhesive tape cannot be reused, so ensure proper positioning during initial installation.
- **Q: What should I do if the mirror breaks during installation or removal?**
 - **A:** Be cautious during removal to minimize breakage. The mirrors come with a safety film on the back to reduce damage in case of breakage.
