IKEA KALLAX Bookcase

Product Information

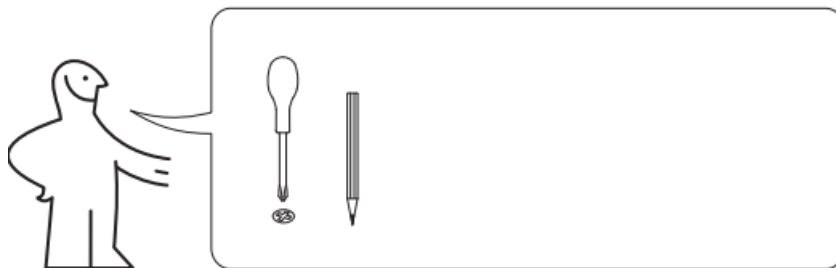

The KALLAX is a storage unit designed and manufactured by IKEA. It is made of particleboard and fiberboard materials with a white finish. The unit has a total of 16 compartments – 4 vertical and 4 horizontal compartments. The dimensions of the KALLAX are 147cm x 147cm x 39cm.

Product Usage Instructions

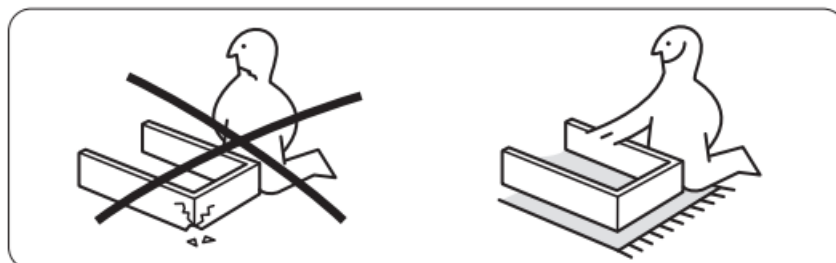

1. Unpack all the parts carefully and ensure that all the parts are present as per the user manual.
2. Begin the assembly by attaching two vertical panels together using the provided screws and dowels.
3. Attach the horizontal panels to the vertical panels using the same screws and dowels.
4. Insert the divider shelves into the compartments as per the instructions provided in the manual.
5. Fix the back panel onto the unit using the provided screws.
6. Attach the wall bracket to the back of the unit and secure it to the wall using appropriate hardware.
7. The KALLAX unit is now ready to use for storage purposes.

Note: It is important to follow all instructions carefully while assembling the unit to ensure its stability and durability. Do not use the KALLAX for any purpose other than its intended use, and do not exceed the maximum weight capacity of each compartment.
