Product Usage Instructions

Important Safety Warning:

Serious or fatal crushing injuries can occur from furniture tip-over. To prevent this furniture from tipping over, it must be fixed to the wall with the included wall attachment devices.

Installation Steps:

1. Identify a suitable location on the wall for the KALLAX unit.
2. Attach the wall attachment devices securely to the wall using appropriate fastening devices suitable for your wall material.
3. Lift and position the KALLAX unit onto the wall attachment devices ensuring a secure fit.
4. Double-check that the unit is firmly attached to the wall and make any necessary adjustments.

FAQ

Q: Are the wall attachment devices included with the KALLAX unit?

A: Yes, wall attachment devices are included. However, fastening devices suitable for your specific wall material are not included.

Important information

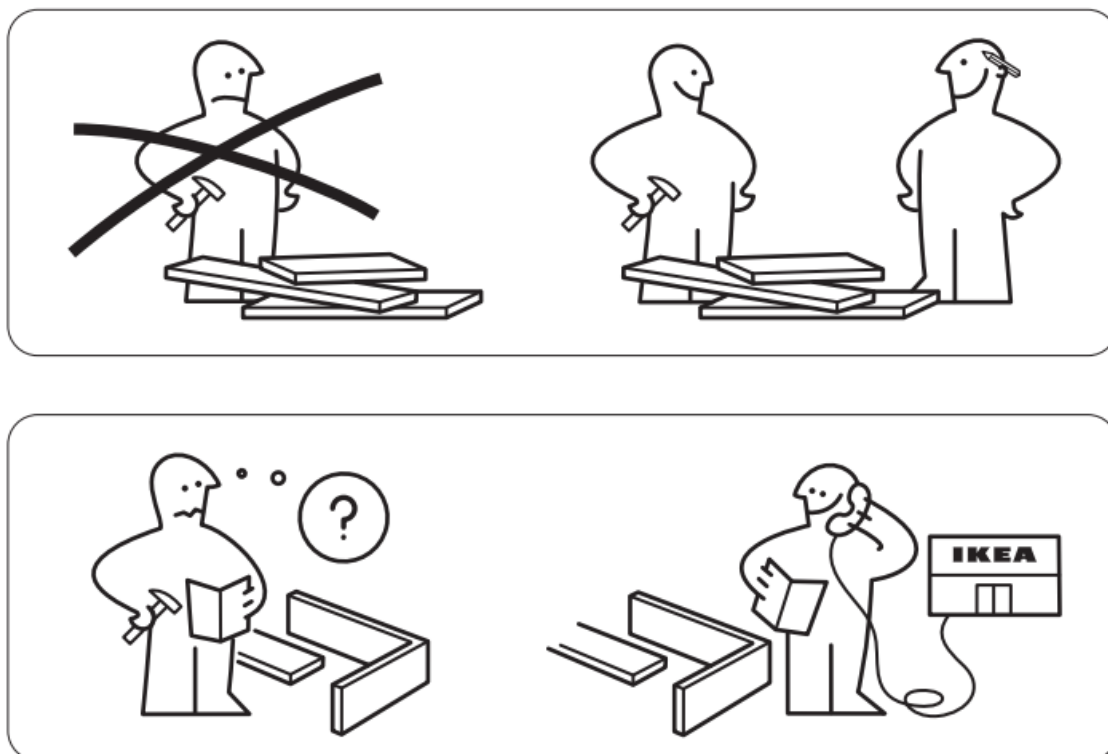

Read carefully

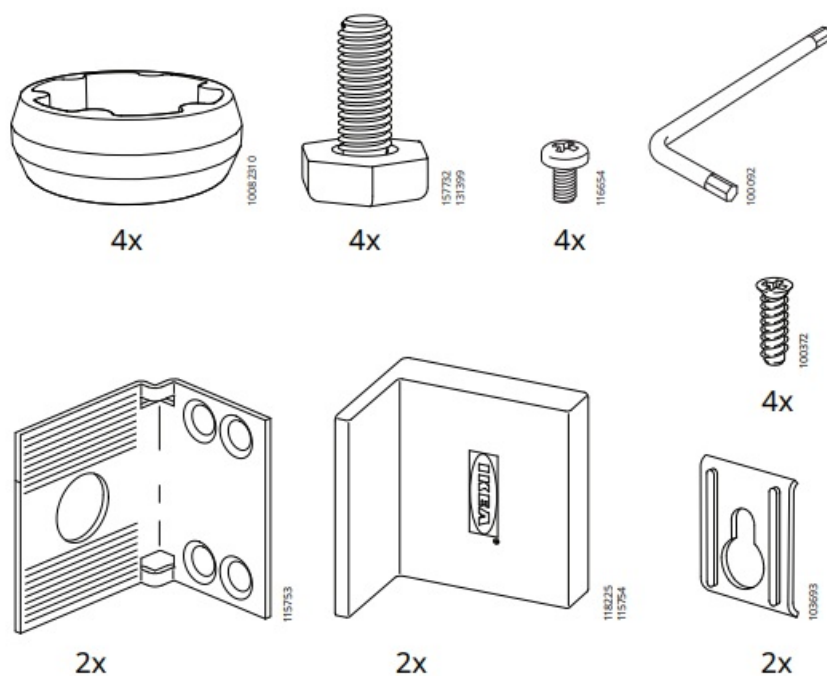

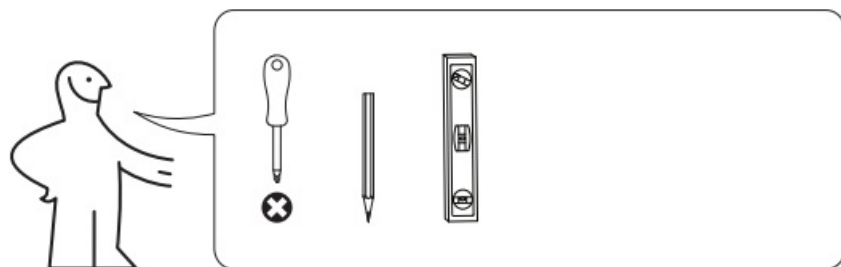

Follow each step of the instruction carefully
Keep this information for further reference

WARNING

Serious or fatal crushing injuries can occur from furniture tip-over. To prevent this furniture from tipping over it must be permanently fixed to the wall with the included wall attachment devices.

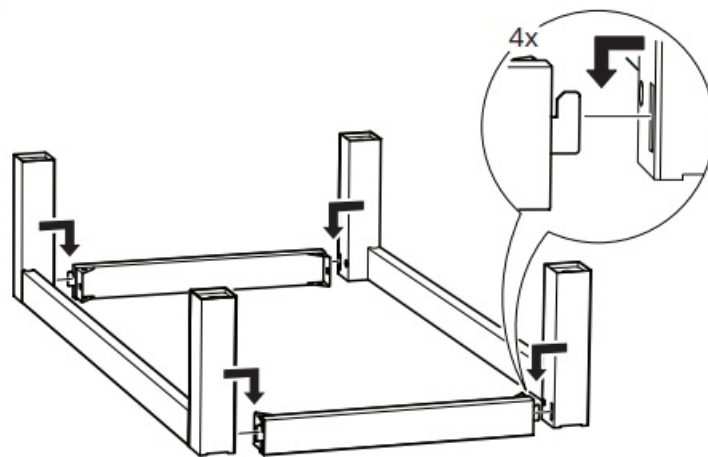

Fastening devices for the wall are not included since different wall materials require different types of fastening devices. Use fastening devices suitable for the walls in your home. For advice on suitable fastening devices, contact your local specialized dealer.
