IKEA KALLAX Door Unit

Product Information: KALLAX

The KALLAX is a modular shelving unit manufactured by IKEA. It is designed to be used for storage and display purposes, and it is available in various sizes, colors, and configurations. The KALLAX unit is made of particleboard or fiberboard with a high-gloss or wood grain finish. It features square compartments that can be used for storing books, toys, or decorative items.

Product Usage Instructions

1. Start by unpacking all the components included in the package.
2. Identify the panels and connectors using the part numbers provided in the user manual.
3. Assemble the panels and connectors according to the instructions provided in the manual.
4. Place the assembled unit in the desired location.
5. Organize your items and place them in the compartments of the KALLAX unit.
6. To clean the unit, use a damp cloth and mild cleaner. Avoid using abrasive materials or harsh chemicals.
7. For safety reasons, ensure that the KALLAX unit is properly secured to the wall using the anchoring device provided in the package.

By following these instructions, you can assemble and use your KALLAX unit safely and efficiently.
