### IKEA MANALG Wall Lamp with LED Bulb Instruction Manual

#### IMPORTANT SAFETY INSTRUCTIONS

This product has a polarized plug (one blade is wider than the other) as a feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat the safety purpose of the polarized attachment plug. Do not alter the plug.

**CAUTION:**

TO PREVENT ELECTRICAL SHOCK, MATCH WIDE BLADE OF PLUG TO WIDE SLOT, FULLY INSERT.

**ATTENTION: CAUTION:**

Injury to persons and damage to the lamp and/or the mounting surface may result if the lamp is pulled from the surface. To reduce the likelihood of such injury or damage, mount only on a surface that is mechanically sound.

Different materials require different types of fittings. Always choose screws and plugs that are specially suited to the material.

**WARNING**

Deviation from the assembly instructions may result in a risk of fire or electric shock.
