IKEA SIMRISHAMN Table Lamp

Product Information

The product is named SIMRISHAMN.

The product has a polarized plug with one blade being wider than the other. The polarized plug is a safety feature that reduces the risk of electric shock. The plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat the safety purpose of the polarized attachment plug. Do not alter the plug.

Product Usage Instructions

Before using the product, ensure that the polarized plug is inserted correctly. Match the wide blade of the plug to the wide slot of the outlet and fully insert it. If the plug does not fit fully, reverse it. If it still does not fit, contact a qualified electrician. Do not attempt to alter or manipulate the plug or the safety feature of the polarized attachment plug.

Deviation from the assembly instructions may result in a risk of fire or electric shock. Follow the assembly instructions carefully to avoid any risks.
