IKEA SOLKLINT Table Lamp With Led Bulb

Specifications

- **Brand:** SOLKLINT
- **Model:** AA-2214348-6

Product Information

The SOLKLINT luminaire comes with flexible cables that need to be handled carefully to ensure safety. Different materials require specific fittings for installation. It is recommended to use screws and plugs that are suitable for the material of the surface where the luminaire will be mounted.

Product Usage Instructions

Replacing Damaged Cable:

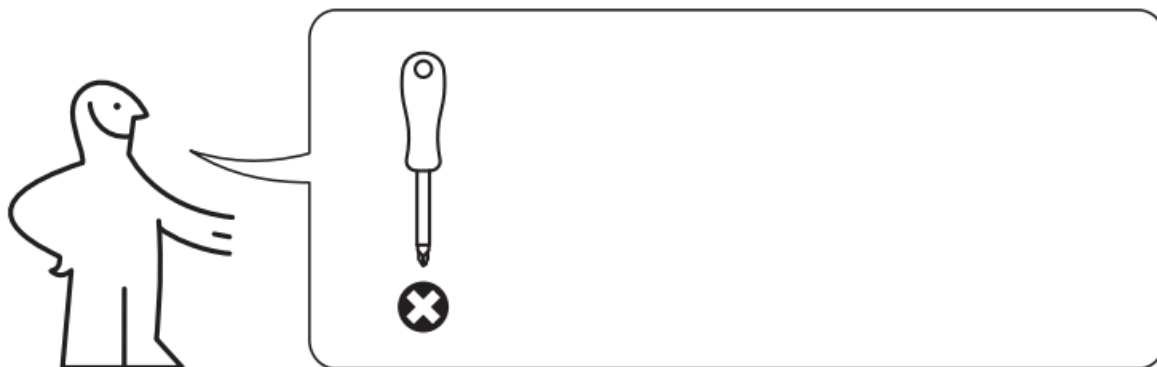

If the external flexible cable or cord of the luminaire is damaged, it should only be replaced by the manufacturer, their service agent, or a qualified person to prevent hazards. Contact IKEA for assistance if unsure.

Safety Precautions

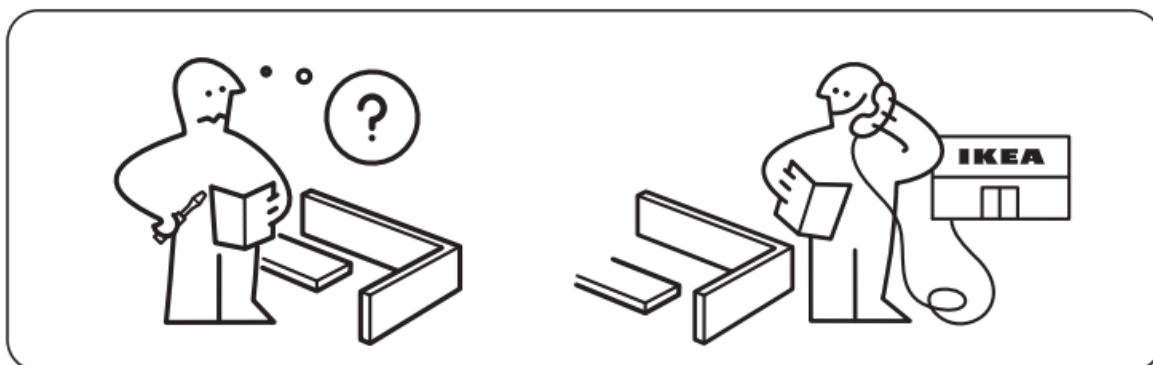

Ensure that flexible cables connected to the luminaire are securely attached to the wall, especially if they are within reach, to minimize the risk of accidents like strangulation or choking.

If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similarly qualified person to avoid a hazard. If you are uncertain, please contact IKEA. Different materials require different types of fittings. Always choose screws and plugs that are specially suited to the material.
