## IMPORTANT SAFETY INSTRUCTIONS

For indoor use only.

Regularly check the cord, the transformer and all other parts for damage. If any part is damaged the product should not be used.

Important information! Keep these instructions for future use.

Use only IKEA LED drivers suited for this product. The total wattage of the lamps connected to one LED driver must not exceed the maximum power stated on that LED driver and never more than 30W.

### WARNING

Deviation from the assembly instructions may result in a risk of fire or electric shock.

For indoor use only.

Regularly check the cord, the transformer and all other parts for damage. If any part is damaged the product should not be used.

Important information! Keep these instructions for future use.

Use only IKEA LED drivers suited for this product.

The total wattage of the lamps connected to one LED driver must not exceed the maximum power stated on that LED driver and never more than 30W.
