1. Power On the Camera (Part 1)

Hold down the power button for 2-3 s to turn on the camera. The LED lights up in green when the camera is booting. If the LED fishes red I, Vice and then turns off, the camera is out of battery. Please charge it lath a SVDC 2A power adapter or a solar panel.

2. Get the Imou Life App (Part 2)

Dan the QR code on part 2 or search for "Imou Life" to download and install the app. Create an account and log

in.

3. Set Up the Camera (Part 3)

Scan the QR code on the body of the device or on the cover of this guide with the app, and then follow on-screen instructions to complete the setup.

4. Install the Camera (Part 4)

Fully charge the camera before installation. Make sure the mounting , surface is strong enough to hold three times the weight of the camera.

LED Status		Device Status
Blue	Flashing slowly	Charging
	Solid	Fully charged
Green	Flashing slowly	Ready to set up the device
	Flashing fast	Connecting to the router
	Solid	Booting
		Working properly
Red	Flashing slowly	Disconnected from the router
	Solid	Device malfunction
Red & Green	Alternating	Updating firmware (keep battery enough)

Double press the power button to turn off the camera. If you need to reset the camera, press and hold the reset button for 5 s.
