Imou Cell 2 4MP WiFi Smart Camera

What's in the Box

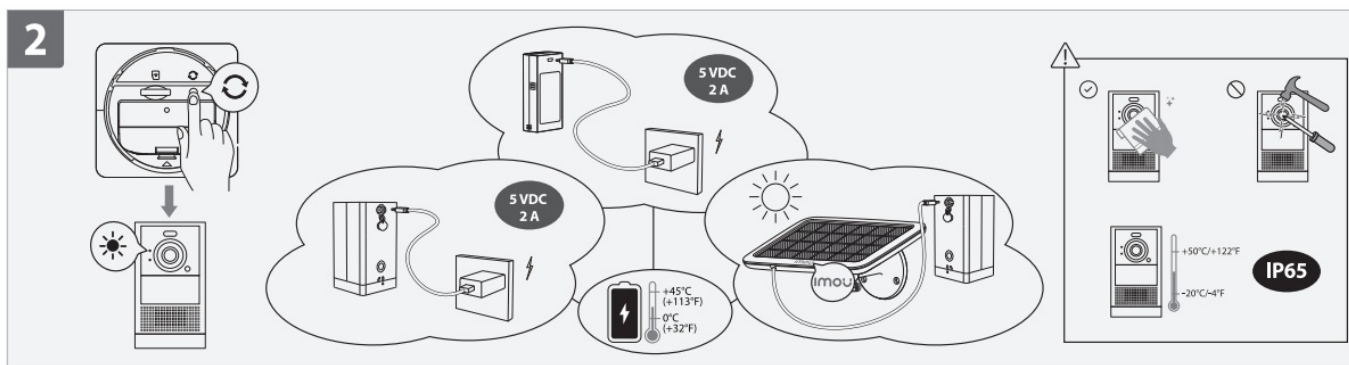

Installation

Insert the Battery (Part 1)

- Remove the bottom cover of the camera and then insert the battery.
- Make sure the battery clicks right into the place.

Power on the Camera (Part 2)

- Press the reset button to turn on the camera and the LED will light up in green.
- If the battery is drained, please charge it with a 5VDC 2A power adapter (not provided). Imou solar panel is also highly recommended.

Get the mou Life App (Part 3)

Scan the QR code on part 3 or search for “Imou Life” to download and install the app. Create an account and log in.

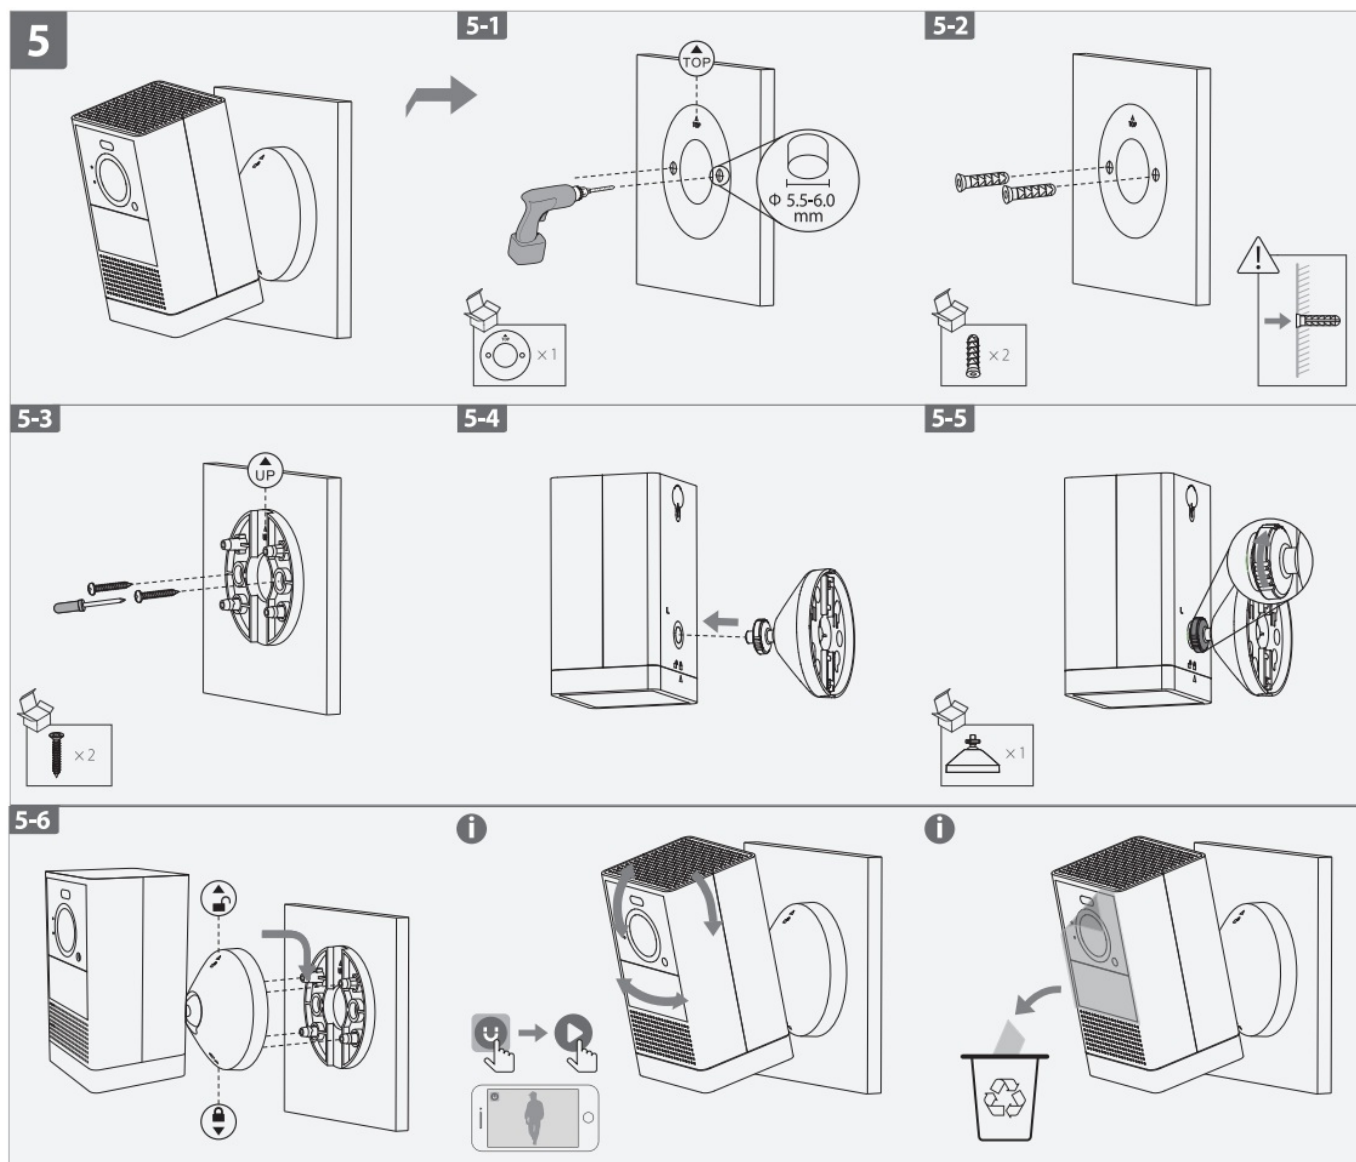

Set Up the Camera (Part 4)

Scan the QR code on the body of the device or the cover of this guide with the app, and then follow on-screen instructions to complete the setup.

Install the Camera (Part 5)

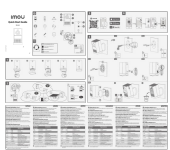

Fully charge the camera before installation. Make sure the mounting surface is strong enough to hold three times the weight of the camera.

In case you need to reset the camera, press and hold the reset button for 10 s until you hear the beep.

LED Status		Device Status
