Imou QSG Cell Go Security Camera

What In The Box

Power On the Camera

- Hold down the power button for 3 s to turn on the camera.
- The LED lights up in green when the camera is booting.
- If the LED flashes red twice and then turns off, the camera is out of battery.

- Please charge it with a 5VDC 2A power adapter or a solar panel (each sold separately).

Get the Imou Life App

- Scan the QR code on part 2 or search for "Imou Life" to download and install the app.
- Create an account and log in.

Set Up the Camera

- Scan the QR code on the body of the device or on the cover of this guide with the app, and then follow on-screen instructions to complete the setup.

Install the Camera

- Fully charge the camera before installation.

- Make sure the mounting surface is strong enough to hold three times the weight of the camera.
