Product Diagram

1. Power ON/OFF KB05114

Power ON: Toggle the switch to ON.

Power OFF: Toggle the switch to OFF.

OR Dain KROSTALA with a Confess Pro-

2.Pair KB05114 with a Surface Pro

Step 1: For the first time you pair KB05114 with a Surface Pro, you just need to toggle the switch on the KB05114 to "ON" position and K805114 will enter Bluetooth pairing mode automatically. To enter this mode, you can also hold Fn pairing simultaneously for 3 seconds and then the Bluetooth indicator will flash to indicate that KB05114 is under pairing mode.

Step 2: On the Surface Pro, select All Settings-Devices – Add Bluetooth or Other Device Bluetooth and then "Inateck KB05114" will show up as an available device.

Step 3: Select "Inateck KB05114" on Surface Pro

Step 4: When the blue indicator keeps on, it means that KB05114 is paired with the Surface Pro successfully. **Note:** if KB05114 doesn't work even though the blue indicator stays on, it might have been paired with other

nearby computer. In this case, please follow steps in "Troubleshooting in Bluetooth Pairing" to resolve the issue.

3. Troubleshooting in Bluetooth Pairing

Step 1: Delete all the Bluetooth pairing records related to KB05114 on the Surface Pro.

Step 2: Hold simultaneously for 3 seconds. The 3 indicators will flash 3 times simultaneously and then the blue indicator will flash, which means that the keyboard enters Bluetooth pairing mode. Under this mode, please re-pair the keyboard with the Surface Pro.

4. LED Indicator

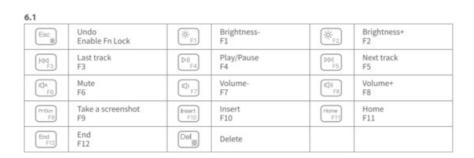

Indicator	Status	Meaning
Charging Indicator-Red	Blinking	Low Battery, 40%
	Solid	Charging
Charging Indicator-Green	Solid	Fully Charged
Caps Lock Indicator-White	Solid	Caps Lock On
	Off	Caps Lock Off
Bluetooth Indicator-Blue	Solid	Bluetooth Connected
	Off	Bluetooth Unconnected
	Fast Blinking	Bluetooth Pairing
	Slow Blinking	Bluetooth Reconnecting

5.Keyboard Backlight

- 1. Hold Fin + Simultaneously to adjust the backlight color. 7 colors are available in total
- 2. Hold Fin + simultaneously to adjust the backlight brightness. 3 levels are at your choice.

Note: When the battery level is lower than 20%, the backlight turns off autornatically.

Operating Time (Backlight on)	About 5h
Operating Timet (Backlight off)	About 50h
Operating Temperature	-10°C -55°C
Bluetooth Frequency Range	2402-2480MHz
Actuation Force	60 ± IOg
Battery Capacity	500mAh

Packing List

FCC Note

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the Users, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Note: The Grantee is not responsible for any changes or modifications not expressly approved by the party responsible for compliance, such modifications could void the user's authority to operate the equipment.

The device has been evaluated to meet general RF exposure requirement.

This equipment complies with FCC's RF radiation exposure limits set forth for an uncontrolled environment. This device and its antenna(s) must not be co-located or conjunction with any other antenna or transmitter.

▲ Battery Safety Warning:

This product contains a built-in rechargeable lithium battery. Please observe the following safety precautions: do not dismantle, hit, crush, or expose the battery to fire. If the battery experiences severe swelling, discontinue use immediately. Avoid placing the battery in high-temperature environments, and do not use it if it has been immersed in water. During transportation, do not mix the battery with metallic objects.

EU Declaration of Conformity

Inateck Co., Ltd. hereby declares that this device complies with the Directive 2014/53/EU.

A copy of the Declaration of Conformity can be accessed from https://www.inateck.de/pages/inateck-eurocompliance.
