Ingersoll 2340 Start-Up Kit CCN

## Ingersoll Rand Reciprocating Compressor Start-up Kits

Extend the warranty on the pump of your Ingersoll Rand reciprocating compressor with the purchase of a Start-up kit. The kit includes all OEM parts and lubricants to ensure that your investment is protected for the long term.

All reciprocating air compressors ship dry so all-season select is needed before startup

### What's in the kit

- All season select lubricant for 2 years of operation under normal conditions
- Replacement air filter for 2 years of operation under normal conditions

### Standard Warranty Coverage

- No kit required
- One year bumper to bumper
- Parts, labor, travel included

## Extended Warranty Coverage

- Highly recommended for any compressor purchase
- 1 Additional Year on Compressor Pump
- Parts only
