Innuos PULSAR Network Music Player User Guide
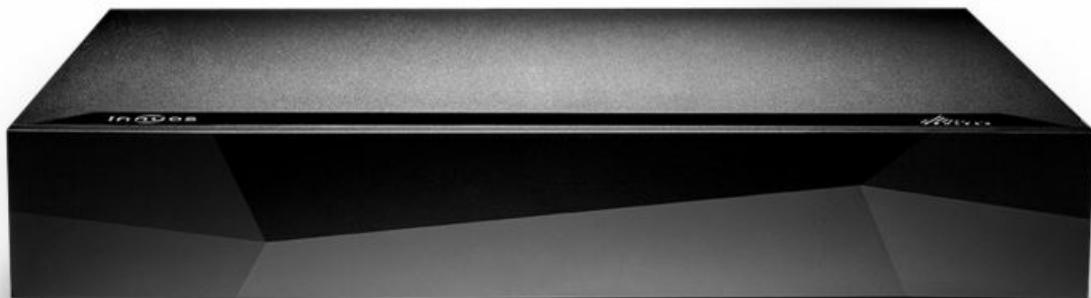

Innuos PULSAR Network Music Player User Guide

PULSAR

NETWORK MUSIC PLAYER

Quick Start Guide

Thank you for buying our PULSAR Network Music Player and welcome to the Innuos family!

This Quick Start Guide will show you how to get started with your new music player. For further details, troubleshooting and help with advanced setups, visit our support page at **https://innuos.com/support/**.

At Innuos, we appreciate your feedback. Once you download and start using our Sense app to play your music, we encourage you to register at our Feedback Zone at **https://feedback.innuos.com/** where you can help shape future software development by providing your thoughts and feature requests.
You can also join us on social media to keep informed about events, new features and products here:
