### Basic Safety Instructions

1. Please do not use excessive force on the product or squeeze it with heavy objects. Keep away from high temperatures and humid environments.
2. Avoid proximity to Wi-Fi, routers, and high-frequency transmitter equipment as they may interfere with signal connection.
3. Ensure effective usage within an 8-10m range without physical barriers between Bluetooth devices and earphones.

### **Instructions for Recycling and Disposal**

This product should not be disposed of as regular household waste in the EU. Recycle responsibly to promote sustainable use of resources. Return used devices through designated drop-off points or contact the retailer for recycling.

### **Manufacturer's Declaration**

The manufacturer declares compliance with applicable EU Directives.

### **Frequently Asked Questions (FAQ)**

- **Can each earbud be used independently?**

Yes, both left and right earbuds have complete Bluetooth functionalities and can be used alone.

- **What is the Bluetooth version compatibility of the headset?**

The headset is compatible with Bluetooth version 5.0 + EDR.

- **How should I dispose of the product responsibly?**

To dispose of the product responsibly, do not throw it away with regular household waste. Recycle it through designated facilities or return it to the retailer for proper recycling.

### **SPECIFICATION**

Wireless headset (TWS) realizes wireless stereo, left and right sound channel separation, and HIFI sound effects. Both left and right earbuds have complete Bluetooth functionalities and can be used alone.

**BASIC SAFETY INSTRUCTION**

1. Please don't use excessive force on the product and don't squeeze it with heavy objects. Keep away from high temperatures and humid environments.
2. Keep away from Wi-Fi, routers, and high-frequency transmitter equipment, which may affect the local signal connection, resulting in interrupting sound disconnection.
3. Please use this product in an effective environment (8-10m). Make sure there are no physical barriers (such as a wall) between your Bluetooth device and earphones.

**Note:** This product can be used with any Bluetooth-enabled device.

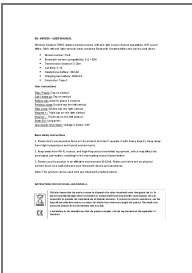

**DISPOSAL**

**INSTRUCTIONS FOR RECYCLING AND DISPOSAL:**

This label means that the product cannot be disposed of as other household waste throughout the EU. To prevent potential damage to the environment or human health from uncontrolled waste disposal. Recycle responsibly to promote the sustainable use of material resources. If you want to return a used device, use the drop-off and collection system, or contact the retailer from whom you bought the product. The retailer can accept the product for environmentally safe recycling.

A declaration by the manufacturer that the product complies with the requirements of the applicable EU Directives.
