Insta360 Flow Gimbal

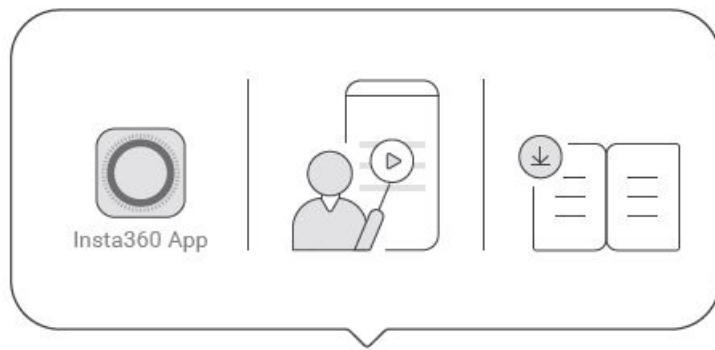

Product Information

The product is the Insta360 camera manufactured by Arashi Vision Inc. The camera is designed to capture 360-degree images and videos. It comes with an Insta360 App that can be downloaded from the website mentioned in the user manual. The camera has an On/Off button and a Hold button. The product version is V1.2 and the model number is PB.ABB0103. The customer service contact details are provided in the manual.

Product Usage Instructions

1. Turn on the camera by pressing the On/Off button.
2. Download and install the Insta360 App from the website mentioned in the user manual.
3. Connect the camera to your smartphone using the app's built-in Wi-Fi feature.
4. Launch the app and follow the on-screen instructions to set up your camera.
5. Once your camera is set up, you can start capturing 360-degree images and videos by pressing the Hold button on the camera.
6. The app will display the images and videos captured by the camera on your smartphone screen.
7. You can edit and share images and videos using the app's built-in editing and sharing features.
