The Simplest Notebook Pen Holder

Product Information Simplest Notebook Pen Holder

The Simplest Notebook Pen Holder is a quick and easy solution to keep your pen secure and easily accessible with your notebook. It is a binder clip that can be attached to the side of your notebook and used to hold a pen with a clip. The holder prevents the pages from flapping closed when you are writing in your notebook, and it can also be used to clip any loose sheets. This requires no tools and modifies a notebook within seconds. The binder clip can then be used to clip any loose sheets, as well as preventing the pages from flapping closed when the notebook is in use. "Note that this only works for pens with clips on them. This is my first Instructable ever!"

Product Usage Instructions

To use the Simplest Notebook Pen Holder, follow these three simple steps:

1. Position the binder clip along the side of your notebook in your desired location.
2. Slide the pen's clip through the binder clip loop.
3. Enjoy! Your pen is now securely attached to your notebook and easily accessible whenever you need it.

Note that this product only works for pens with clips on them. This is an excellent solution for students, professionals, or anyone who wants to have a pen handy with their notebook without worrying about misplacing it.

INSTALLATION INSTRUCTIONS

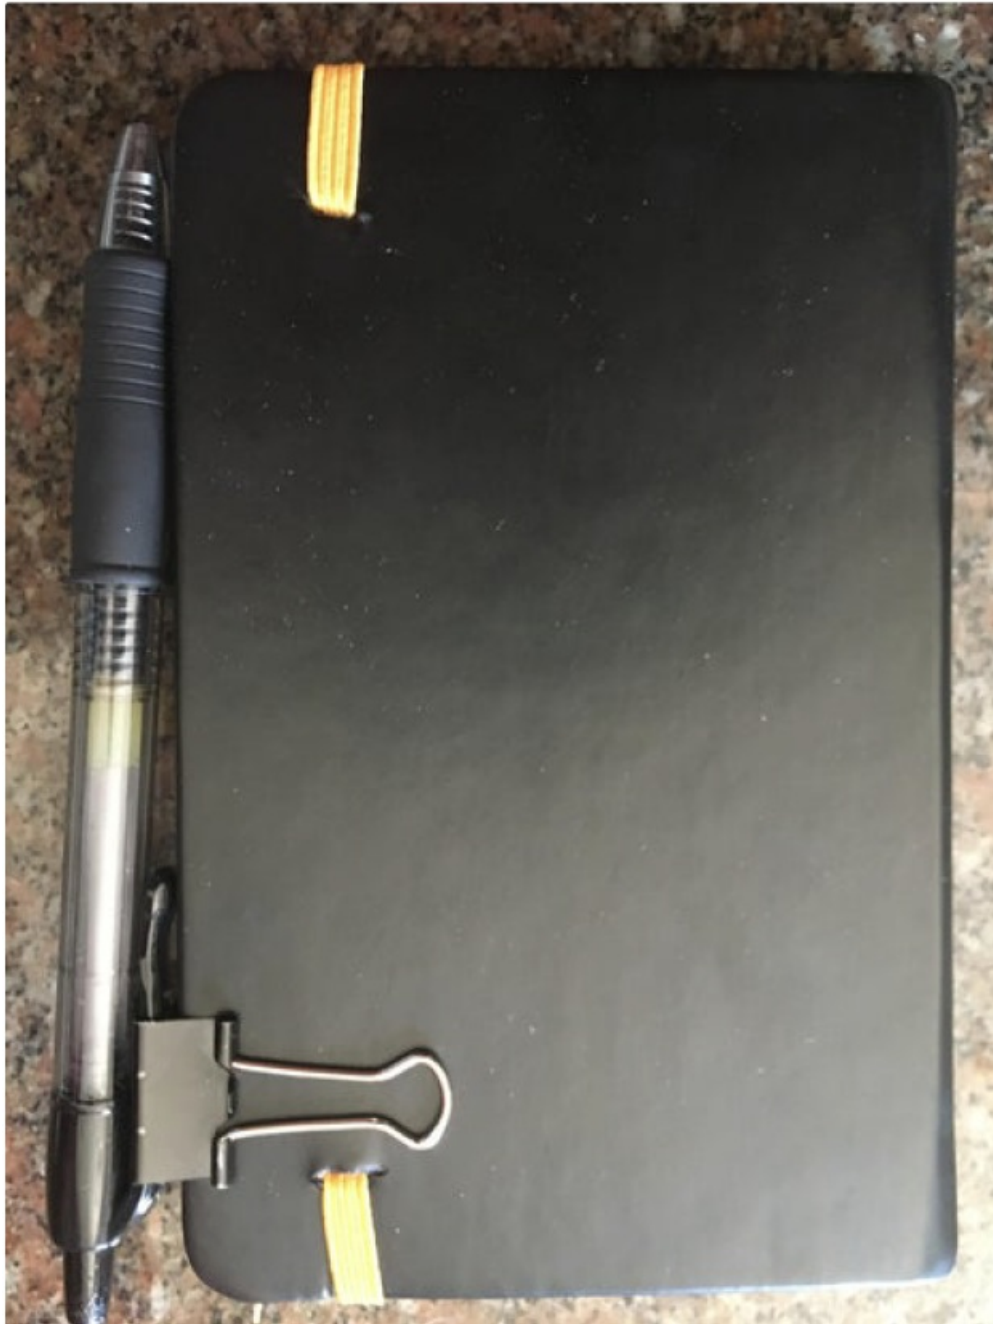

1. Step 1: Clip the Clip

Position the binder clip in the desired location along the side of your notebook

2. Step 2: Position the Pen

Slide the pen's clip through the binder clip loop.

3. Step 3: Enjoy!
