Before Getting Started

- Read the instructions carefully prior to assembling the product.
- When you open the package with a sharp tool like a cutter knife, be careful not to damage the components inside.
- Carefully remove all packaging materials and retain for future use.
- Keep all hardware parts and packaging out of reach of small children.
- Choose a clean, level, spacious assembly area. Avoid hard surfaces that may damage the product.
- Ensure that you have all required contents for complete assembly.
- Take care when lifting. Assemble the product in close proximity to where you intend to position the item.
- Do not over tighten the screws and bolts as this may damage the threads.
- When you have finished assembling the product, place it on a flat surface and make sure it is stable before use.
- Do not let children play with this product.

Risk of suffocation! Keep any packaging materials away from children.

Cleaning & Maintenance

- Keep the product away from direct heat and sunlight.
- Prolonged exposure to heat sources may cause glazing, melting and scorching, or even cause color to fade.
- Regular vacuuming or light brushing helps to remove dirt and prevent soil build-up, which increases the appearance wear.
- Periodically (every 90 days) make sure that the screws are fully tightened.

Wood Furniture Care Instructions

- Use a soft, clean cloth that will not scratch the surface when dusting.
- Use of furniture polishes is not necessary. Should you choose to use polishes, test in an inconspicuous area first.
- Using solvents of any kind on your product may damage your product's finish. Never use water to clean your product as it may cause damage to the finish.
- Always use coasters under beverage glasses and flowerpots.
- Liquid spills should be removed immediately. Using a soft clean cloth, blot the spill gently. Avoid rubbing.
