## Before Getting Started

Read the instructions carefully prior to assembling the product.

When you open the package with a sharp tool like a cutter knife, be careful not to damage the components inside.

Carefully remove all packaging materials and retain for future use.

Keep all hardware parts and packaging out of reach of small children.

Choose a clean, level, spacious assembly area. Avoid hard surfaces that may damage the product.

Ensure that you have all required contents for complete assembly.

Take care when lifting. Assemble the product in close proximity to where you intend to position the item.

Do not over tighten the screws and bolts as this may damage the threads.

When you have finished assembling the product, place it on a flat surface and make sure it is stable before use.

Do not let children play with this product.

Risk of suffocation! Keep any packaging materials away from children.

Cleaning & Maintenance

Keep the product away from direct heat and sunlight.

Prolonged exposure to heat sources may cause glazing, melting and scorching, or even cause color to fade.

Regular vacuuming or light brushing helps to remove dirt and prevent soil build-up, which increases the appearance wear.

Periodically (every 90 days) make sure that the screws are fully tightened.

Wood Furniture Care Instructions

Use a soft, clean cloth that will not scratch the surface when dusting.

Use of furniture polishes is not necessary. Should you choose to use polishes, test in an inconspicuous area first.

Using solvents of any kind on your product may damage your product’s finish.

Never use water to clean your product as it may cause damage to the finish.

Always use coasters under beverage glasses and flowerpots.

Liquid spills should be removed immediately. Using a soft clean cloth, blot the spill gently. Avoid rubbing.

Contents

Before getting started, ensure the package contains the following components:

A		x1	D		x4
B		x1	E		x4
C		x2	F		x4
			G		x1
			H		x4
			I		x4
