Product Specifications

- Material: Water Hyacinth
- Frame Material: Iron
- Dimensions: 18" Diameter x 12.2" Height (15" with handles)
- Color: Natural Brown

Safety Precautions

- Place the basket on a stable, level surface to prevent tipping. Keep it away from high-traffic areas, children, and pets to avoid accidental knocks or damage.
- Avoid overloading the basket beyond its capacity to maintain its structural shape and prevent handle strain.

Preparation Before Use

- Gently wipe the surface with a soft, dry cloth to remove any dust or debris from shipping.
- Check that the iron frame and handles are securely attached and the woven texture is free of loose strands.

Daily Usage Tips

- Ideal for storing clothes, towels, toys, magazines, or canvas in bedrooms, living rooms, or bathrooms. Its 18" diameter and 12.2" height (15" with handles) offers ample space for organizing daily items.
- The natural brown twisted weave pattern complements rustic, bohemian, or modern decor, adding an artisanal touch to your space.
- For sustainable use, prioritize storing dry items to preserve the water hyacinth material and prevent mold growth.

Cleaning & Maintenance

- Regular Cleaning: Wipe the basket with a damp cloth to remove surface dirt. For deeper cleaning, use a mild soap diluted in water and gently scrub stained areas with a soft brush.
- Stain Removal: For tough marks, mix baking soda with water to form a paste, apply to the stain, and wipe clean after 5 minutes. Avoid using harsh chemicals or abrasive

tools that may damage the weave.

- **Drying:** Ensure the basket is fully air-dried before reuse to prevent moisture retention in the natural fibers.

Storage Guidelines

- Before storing, confirm the basket is completely dry to avoid mildew.
- Store it upright in a cool, dry place. To protect the weave, wrap it in a breathable fabric (like cotton) or place it in a cardboard box to prevent dust accumulation and crushing.
- The durable iron frame allows for long-term storage without significant shape distortion, but avoid stacking heavy objects on top.

Crafted from sustainable water hyacinth, this basket combines eco-friendliness with functional design. Its handwoven texture and versatile use make it both a practical organizer and a decorative accent for your home. For any questions, contact our customer service for support.

Frequently Asked Questions

- **Q: Can the basket be used outdoors?**
 - A: It is recommended to use the basket indoors to maintain its quality and durability over time.
- **Q: How can I remove strong odors from the basket?**
 - A: To remove odors, you can sprinkle baking soda inside the basket and leave it overnight. Then, vacuum or shake out the baking soda the next day.
