69921X-YY View or Bella Reading Light

PARTS/TOOLS NEEDED:

				
View or Bella Reading Light	Mounting Screws (Qty: 2)	Butt Splice Connectors (Not Provided)	Power Drill	Philips Screwdriver

IMPORTANT SAFETY INSTRUCTIONS. READ CAREFULLY FOR YOUR PROTECTION AND SAVE ALL INSTRUCTIONS.

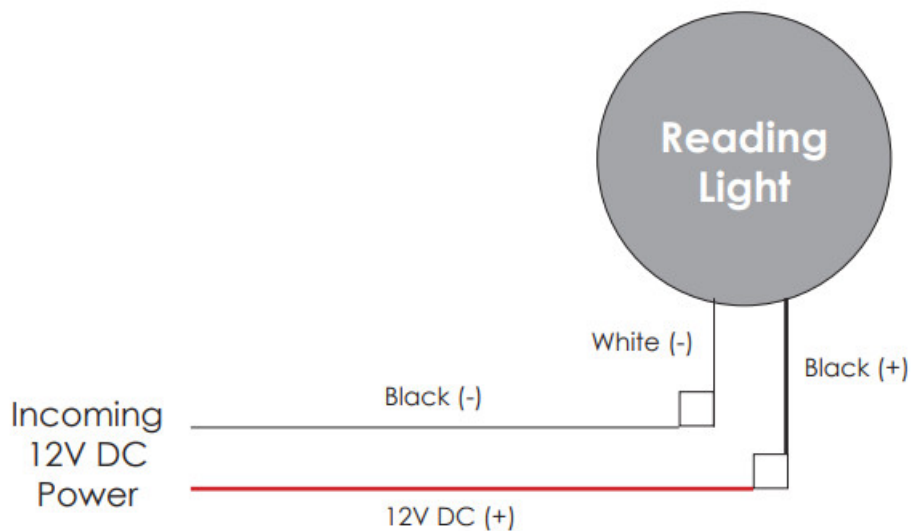

- Disconnect power before installing, adding or changing any component.
- To avoid a hazard to children, account for all parts and destroy all packing materials.

- It is recommended that fuse protection be added to the positive (+) input.

1. Determine the installation location and use the mounting bracket to mark the location of the screw holes and wiring hole. Drill a hole and pull the units wiring through. Screw down the mounting bracket using the provided screws.

2. Using the wiring diagrams below, wire the light to the units power.

3. Feed the wires back through the hole and tighten the set screws on either side of the light. Test the light.
