## Installation Guide – Bluetooth Connectivity

**Bluetooth®** Connecting to bluetooth device 1.

Keyboard:

Press BT button and select BT1, the green light flashes once. Hold and press the BT button for 5s to enter Bluetooth pairing mode.

Mouse

Press connect button and select BT1, the white light flashes once. Hold and press the Connect button for 5s to enter Bluetooth pairing mode.

Now it is in Bluetooth pairing mode. Go to Bluetooth setting on your device and select Elite MK400 KB/MS. Follow the onscreen instructions to complete the pairing. The light will turn off once Bluetooth pairing is successful.

Note

Switching bluetooth devices: After setting up connections with up to 2 bluetooth devices, you can switch among them by press BT button on keyboard and connect button on mouse.
