Product Information

The 6 Button IP Control Panel Wall-Plate, model JTD-P6, is a product manufactured by J-TECH DIGITAL INC. It is designed to provide IP control for various systems and devices.

Product Usage Instructions

1. Panel Description:
   - Refer to the user manual for detailed information on the panel description.
2. System Connection:
   - Refer to the user manual for detailed instructions on how to connect the control panel to your system.
3. GUI Control:
   - Log In:
     - Follow the instructions in the user manual to log into the GUI control interface.
   - Home:
     - Once logged in, navigate to the home screen to access the main control options.
   - Configuration:
     - Knob:
       - Configure the knob settings according to your preferences using the instructions provided in the user manual.

        - TCP/IP:
            - Configure the TCP/IP settings for network communication as per the instructions in the user manual.
        - IR:
            - Set up and configure the infrared (IR) control features using the instructions provided in the user manual.
    - Network:
        - Access the network settings and configure them according to your network requirements. Refer to the user manual for detailed instructions.
    - Upgrade:
        - Perform firmware upgrades for the control panel following the instructions provided in the user manual.
4. Specifications:
    - Refer to the user manual for detailed specifications of the product.
5. Panel Drawing:
    - Refer to the user manual for a visual representation and layout of the control panel.
6. Maintenance:
    - Follow the maintenance instructions provided in the user manual to ensure proper functioning and longevity of the product.
7. Warranty:
    - For warranty information and terms, refer to the user manual or contact J-TECH DIGITAL INC. directly.
8. Mail-In Service:
    - If required, follow the instructions in the user manual to avail mail-in service for the product.
9. Limited Warranty Limits and Exclusions:
    - Refer to the user manual for details about the limited warranty coverage and any exclusions that may apply.
