## Android App Installation

### Step 1

## Step 2

## Step 3

## Step 4

## Note

### Step 1

Go to the Google Play Store and search for the app named: jS Display Adapter.

### Step2

Install and open the jS Display Adapter app.

### Step 3

Check “Don’t show again” when you see the pop-up window and then click “Start Now”.

### Step4

Connect the JUA161C/165C to your android phone, and check “Use as default app” and then click “OK”. Now you are ready to use the JUA161C/165C.

### Step 5

After the app is installed, you can plug-and-play every time you connect the JUA161C/165C.

## Note

- In order to save the battery your phone’s screen will darken automatically when you connect the

JUA161C/165C. Once you disconnect the JUA161C/165C or use the phone, the screen will return to its original brightness.

- Please go to the jS display adapter App and click the  to adjust your resolution.

## **STOP!**

If you have any problems with this product please contact our technical support team before returning it to the store.

## **Limited Warranty**

j5create offers a limited 1-year warranty. User's wear & tear damage is not included.

The user shall call or e-mail j5create's customer service with information regarding the defect(s) of the product and obtain a return authorization number. Users are responsible for one way return freight cost and we will take care of one way freight back. In order to obtain a return authorization number, users should have the following information handy when calling or emailing the service team:

1. a copy of the original purchase invoice to verify your warranty
2. a product serial number
3. a description of the problem
4. customer's name, address, and telephone number

j5create does not warrant that the operation of the product will be uninterrupted or error-free.

j5create is not responsible for damage arising from failure to follow instructions relating to the product's use. This warranty does not apply to: (a) consumable parts, unless damage has occurred due to a defect in materials or workmanship; (b) cosmetic damage, including but not limited to scratches, dents and broken plastic on ports; (c) damage caused by use with non-j5create products; (d) damage caused by natural disasters (flood, fire, earthquake, lighting strike, typhoon etc.); (e) damage caused by human misuse (lost, accident, abuse, misuse or other external causes);

(f) damage caused by operating the product outside the permitted or intended uses described by j5create; (g) damage caused by service (including upgrades and expansions) performed by anyone who is not a representative of j5create or a j5create Authorized Service Provider; (h) a product or part that has been modified to alter functionality or capability without the written permission of j5create; or (i) if any j5create serial number on the product has been removed or defaced. If such a situation occurs, j5create will calculate the cost of materials and repair for your reference. This warranty is given by j5create in lieu of any other warranties expressed or implied.
