2BBQE-JAMSTACK2 Wireless Guitar
Speaker User Guide

Chapter 1

Contents

- 1 What's in the Box.
- 2 Main Features & Benefits
- 3 Documents / Resources
 - 3.1 References

What's in the Box.

- **Hard Case** - A super durable hard shell travel case 
- **The Jamstack 2** - For all the things 
- **USB-C to lightning cable** - To connect lightning devices 
- **USB-C to USB-C charging and data cable** - To connect lightning devices
- **¼" Cable** - To connect your guitar to Jamstack 2's input jack while it's mounted to your guitar 
- **Guitar Bracket** - To mount the Jamstack 2 on your guitar 
- **Hex Key** - To adjust and secure your guitar bracket 
- **Charging Brick** - To charge your Jamstack 2 
- **Phone Mount** - To hold your phone on the Jamstack 2 
- **Phone tilt stand** - To point your phone at you from a tabletop 
- **Carabiner** - To clip your hard case onto other bags, like your soft case 
- **Stickers** - To show your Jamstack pride 

Chapter 2

Main Features & Benefits

- Deluxe Built-in Effects Engine and Control App

Replicate your favourite musicians' guitar tones using our powerful best-in-class effects engine and control app. Access hundreds of effects presets and save them directly into your Jamstack 2

- Bluetooth Speaker

Pair any Bluetooth device to your Jamstack 2 for high fidelity and portable listening experience. Up to 5 devices can be connected simultaneously.

- **Multiple Recording Modes**

Camera Mode, Interface Mode and Duet / Looping Mode allow you to record high quality audio directly into an iPhone, iPad, Mac or PC over a USB connection to the amp. This audio can either include your built-in effects, or bypass them like a typical audio interface so that your recording software can add effects. Record into Mac or PC using your Jamstack 2 as a professional audio interface.

- **Two-Way Wireless System**

Wirelessly connect to the Jamstack 2 for a cable-free experience using our Jamstack 2 transmitter (sold separately)

Cast audio out to multiple Jamstack 2's, Jamstack headphones, a PA, or even your home stereo system using our wireless receivers (sold separately)

- **All-Day Battery Life**

Rechargeable lithium-ion battery for over 9 hours of playing your instrument, also works as a power bank to charge USB devices.
