### Product Description

The 180-Degree Triple Linear Low Profile Bullhorn Mounting Bracket offers versatile installation options for outdoor lighting. Engineered with three 180-degree aligned tenons, it facilitates mounting three area lights with slip fitters. Tailored for precise fit on 2-3/8 inch O.D. tenons or light pole tops, it securely attaches to wood, steel, or concrete poles. Commonly used in parking lots, floodlights, and shoebox fixtures, it provides durability and versatility.
