Jandy iQ30-RS Web Connection Upgrade Kit

Why TCX™ is the Best Option to Upgrade to Automation

Quick and Easy Install

Seamlessly fits into the most popular timeclock enclosures for a fast and easy upgrade.

Dual Voltage Capability

No need to call the electrician... As a qualified pool professional, it's easy to configure to 120 VAC or 240 VAC input because there's no main power rewiring.

Connects to iAquaLink®

Intuitive control using the same user interface you already know and pool owners love.

Control the Competition

TCX™ is capable of automating competitor equipment too!

Swap the System. Keep the Can.

Conversion kits are designed to easily upgrade and replace existing automation systems with no main power rewiring.

Suggested Tools

- 1/4" Slotted Screwdriver
- Large Slotted Screwdriver
- #2 Phillips Screwdriver
- Wire Stripper and Pliers

Add Wireless Lighting Operation

No need to reroute the pool lights to the automation system; install the wireless light switch in the home for automated control.

NOTE: You must qualify installation location has a neutral wire at the existing light switch.

The Zigbee switch requires a neutral wire to work.

Compatible with Most Pool Pads

AquaLink® automation systems support ALL Jandy® equipment as well as the following equipment:

- Pentair® Variable-Speed Pumps
- Hayward® & Pentair LED lights (wireless ZigBee switch available for TCX™)
- Hayward & Pentair Gas Heaters & Heat Pumps
- Solar Heat (solar sensor and actuator sold separately)

Select the System You Want to Swap

| Brand | Model(s) | Part # | Type | System | Interface |

1. For systems other than Pool/Spa 8 contact tech support after installation
2. Integrated IntelliChlor® Salt Water Chlorinator must be moved to an external powerpack

Why Jandy®?

Why settle for sufficient when you can get superior?

With Jandy equipment, you're getting a product that's easier to install in any pool pad, compatible with all existing setups and provides unparalleled performance and efficiency.

Protecting Your Bottom Line

We've got your back. Our equipment is NOT available for purchase on the internet. Only through you.

Drops In with Ease

Jandy equipment is engineered to easily replace most existing equipment on the pool pad with little to no plumbing adjustments.

Jandy is a trade-up, not just a trade out.

Built to Last

Our equipment is designed for durability so you can get the job done and can trust that it will perform for the long

haul.

Support You Can Count On

With our superior customer service and dedicated training team available to you when you need it most, you'll never be caught off-guard on-site.

WITH THE RIGHT TOOLS

YOU WON'T LEAVE MONEY ON THE TABLE

Fluidra's ServicePro Rewards Program is designed specifically for pool service companies and gives you access to the right tools, including marketing services, software, training and valuable consumer incentives — everything you need to grow your business.
