IMPORTANT SAFETY INSTRUCTIONS

- Read these instructions-All the safety and operating instructions should be read before this product is operated.
- Do not keep or use this system in environments with high temperatures. Please keep it in dry and ventilated areas and avoid any impact. Do not use or dispose of in rain.
- In order to avoid electrical shock or accident, do not open the panels or covers. For repair, please contact our customer services.
- If the liquid or metal parts enter the system, please unplug the power cable and call our customer service to check the system before continued use.
- Do not cover or obstruct ventilation of the vent hole by placing newspaper or clothing on it.
- Do not put any flammable items like candles on this device.

SWITCH ON / BLUETOOTH CONNECTION

- Press ON/OFF button on the lower part of the product for 2 seconds until you hear an acoustic sound and the light is blue.

- The blue flashing light indicates the product is ready for pairing.

- Enter Bluetooth menu on your audio player (smartphone, tablet PC, etc.) and look for the device “ICT-DN7+”.
Now pair both devices.

AUDIO PLAYBACK

- The Bluetooth speaker is connected to the audio device. You can now play your music or audio files via the speaker.
- The volume control is done exclusively via your smartphone, tablet PC, etc.

LED ILLUMINATION

- The default setting of the LED light mode is “Rhythm Mode” (Turquoise color).
- To change the mode, press the ON/OFF button twice rapidly.
- The following modes are available:
- Rhythm Mode – Color Changing – Green – Yellow- Red – Purple – Blue – Turquoise – White – OFF.

POWER SUPPLY

The ICE CUBE TRAY is powered by a 1800 mAh battery that maximum playback for up to 3-4 hours (depending on the volume).

- Battery charge via USB charging cable.
- To turn off, press and hold the ON/OFF button for about 2 seconds.

TWS (True wireless stereo) Function

- NOTE: This function requires two sets of Ice Cube Tray DN7+.
- Turn on 2 pcs speakers
- Double click one of the speaker’s ON/OFF button, you will hear the prompt tone which means the 2pcs speaker are connected together.
- Turn on the Bluetooth on your mobile phone, tablet or computer and pairing with the device. Once paired successfully, you can play the music through the 2 pcs speakers with stereo sound.
