### JBC ND-KP Tapered Tips Set Case for DPM

### Product Information

The NDKP / NDKS Tapered Tips Set Case for DPM / Steel Needles Set Case for DPM is a product designed for use with syringes. It includes steel needles and tapered tips that can be used as replacements for the syringe cap. The product comes in two variations: ND-KS and ND-KP.

- The ND-KS set includes 16 units of the Steel Needles Set Case for DPM, with 2 units of each reference. It also includes a manual with reference number 0027833.
- The ND-KP set includes 10 units of the Tapered Tips Set Case for DPM, with 2 units of each reference. It also includes a manual with reference number 0027833.

The product specifications are as follows:

- NDKS Steel Needles Set Case for DPM Ref. ND-KS
  - Total Net Weight: 20.9 g / 0.046 lb
  - Package Dimensions/Weight (L x W x H): 90 x 55 x 40 mm / 32.5 g / 3.54 x 2.17 x 1.57 in / 0.072 lb
- NDKP Tapered Tips Set Case for DPM Ref. ND-KP
  - Total Net Weight: 18.8 g / 0.041 lb
  - Package Dimensions/Weight (L x W x H): 90 x 55 x 40 mm / 30.3 g / 3.54 x 2.17 x 1.57 in / 0.067 lb

The product is compliant with CE standards and comes with a 2-year warranty that covers manufacturing defects. The warranty does not cover product wear or misuse.

For proper disposal, the product should not be thrown in the garbage. It must be collected and returned to an authorized recycling facility in accordance with the European directive 2012/19/EU.

## Product Usage Instructions

To use the NDKP / NDKS Tapered Tips Set Case for DPM / Steel Needles Set Case for DPM, follow these steps:

1. Remove the syringe cap from the syringe.
2. Choose either a stainless steel needle or a tapered tip from the set case.
3. Replace the syringe cap with the chosen stainless steel needle or tapered tip.

**Note:** Ensure that the chosen stainless steel needle or tapered tip matches the desired style, solder color, gauge, paste length, total length, and needle length as specified in the product manual.
