What's in the box

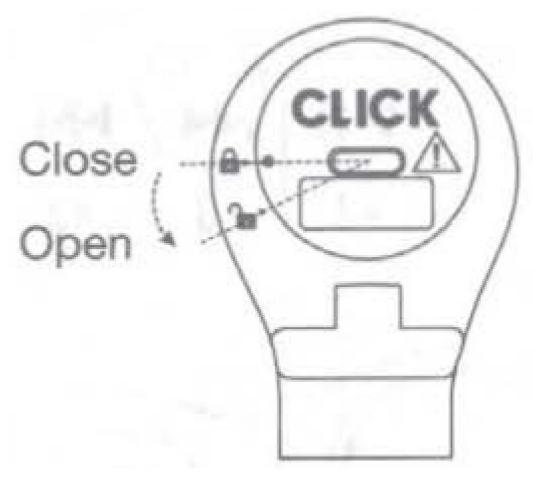

Overview

Inserting and replacing battery

1. Open and close the battery cover

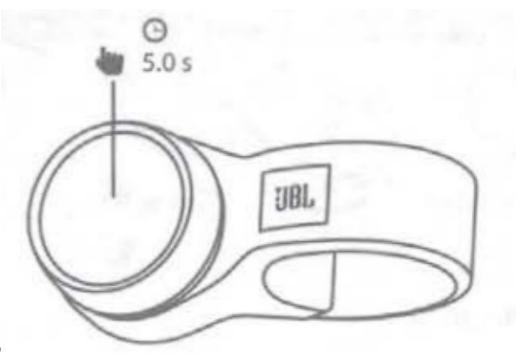

* Remove the insulation film before use

2. Replace the battery

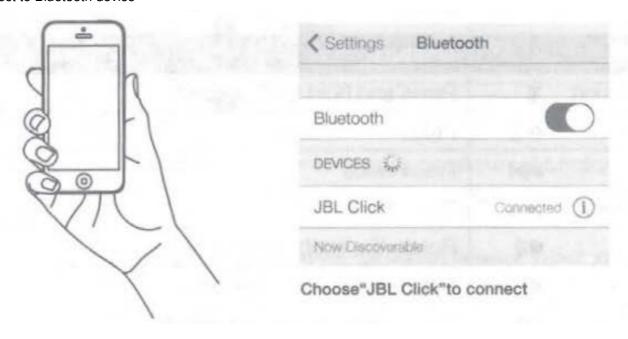

* Change the battery when the LED starts flashing fast (4Hz)

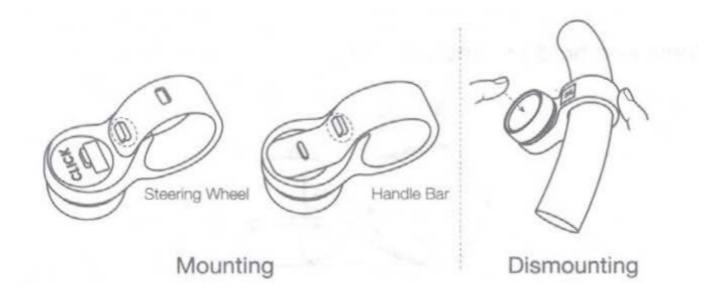

Bluetooth® Connection

- 1. Press and hold the knob
- 2. Connect to Bluetooth device

Installation (Mounting and Dismounting)

Interaction

Action	Gesture	
Activate pairing	*	Press and hold for 5 seconds
Play/Pause	▶	Press
Next Track	▶ ►	Press twice
Previous Track	144	Press triple
Volume Up	(((Rotate the knob to the right
Volume Down	Ŷ	Rotate the knob to the left
Factory Reset	0	Press and hold for 10 seconds

Phone Call

iPhone

Action	Gesture	
Answering an incoming call	0	Press
Ending an active call	0	Press
gnoring an incoming call	9	Press twice
Ending an outgoing call	0	Not supported

Android phone

Action	Gesture	
Answering an incoming call	0	Press
Ending an active call	9	Press
Ignoring an incoming call	9	Press and hold for 1.5 seconds

- Most of Android phones installed OS 8.0.0 or above support phone call function
- Due to huge variety of android phones, different phones have different key definition for pone call support
- Due to Android limitation, most messenger APPs call feature (answer ,reject ,end) on Android are not supported.
- Some VIVO and OPPO phones don't support phone call function.

LED Behavior

Mode	LED Status		Timeout
Stand-by		Off	
Advertising	\Diamond	White, Slow Flash	3 minutes
After battery insertion	0	White, Constant	5 seconds
Bluetooth pairing	Ö	White, Fast Flash(4Hz)	1.5 minutes
Bluetooth connected	0	White, Constant	3 seconds
Low battery	\Diamond	White, Slow Flash(1 Hz)	Until the battery power off

Technical Specification

• Bluetoothe Version: 4.2

• Bluetoothe transmitter power: -20 to + 8 dBm

• Bluetoothe transmitter frequency range: 2.402 G – 2.480 G

• Support: HID ANCS

Power Supply: 3 V CR2032 battery

• **Dimension** 0N x D x H): 139.9 x 38.3 x 39.6 mm

Weight: 38 g

WARRANTY CARD

SET UP INFORMATION & PRODUCT REGISTRATION

Congratulations with the purchase of your new Product. We have done our utmost to make your experience the best one possible. If you have any questions when setting up your Product and would like some helpful hints, we recommend that you visit the relevant country specific support website for your Product: www.jbl.com. There you will also find relevant contact information. If you cannot find the information you are looking for, please contact the vendor that sold the Product to you or contact the relevant JBL rustomer support center by electronic mail or phone.

We recommend that you register your Product via the relevant country specific website for your Product. Your registration will allow us to inform you about updates for certain products, possible new offers and new Products and/or applications. Registering is easy; just follow the instructions on the relevant country specific website for your Product.

NOTE: THIS LIMITED WARRANTY DOES NOT APPLY TO CONSUMERS IN THE EUROPEAN ECONOMIC AREA (EEA) MEMBER STATES AND THE RUSSIAN FEDERATION AS THEY ARE PROTECTED BY LOCAL CONSUMER LAW AND BENEFIT FROM LOCAL STATUTORY WARRANTIES

LIMITED WARRANTY

WHO IS PROTECTED BY THE WARRANTY

This limited warranty (the 'Limited Warranty") protects only the original end-user ('you' or 'your'), and is not transferable and is applicable only in the country (excluding EEA member states and the Russian Federation) in which you originally purchased your JBL Product (the 'Product'). Any attempt to transfer this warranty shall immediately make this warranty void.

LIMITED WARRANTY

HARMAN International Industries, Incorporated ('HARMAN') is the manufacturer and through its local subsidiary, warrants to you that the Product Qncluding components provided in/with the Product) will be free from defects in workmanship and materials for a period of ONE year from the date of retail purchase by you (the 'Warranty Period'). During the Warranty Period, the Product Qncluding components), will be repaired or replaced at HARMAN's option, without charge for either parts or labor OR at HARMAN's sole option, the price of the Product

may be refunded, subject to depreciation based on your purchase price for the Product pro-rated over the remaining balance of the Warranty Period. My warranty service or replacement of parts will not extend the Warranty Period.

This Limited Warranty does not cover defects which are a result of: (1) damage caused by accident, unreasonable use or neglect (including the lack of reasonable and necessary maintenance); (2) damage during shipment (claims must be presented to the carrier); (3) damage to, or deterioration of, any accessory or decorative surface; (4) damage resulfing from failure to follow instructions contained in your owner's manual; (5) damage resulting from the performance of repairs by someone other than an authorized JBL service center; (6) deterioration of component parts, the nature of which is to become worn or depleted with use, such as batteries and headphone ear pad

Furthermore, this Limited Warranty covers only actual defects within the Product itself, and does not cover the cost of installation or removal from a fixed installation, setup or adjustments, claims based on misrepresentation by the seller, performance variations resulting from installation-related circumstances such as source quality or AC power or Product modifications, any unit on which the serial number has been effaced, modified or removed, or units used for other than home use. This Limited Warranty is valid only for JBL products purchased from an authorized dealer.

Except to the extent expressly prohibited in your jurisdiction by applicable law, all implied warranties, including fitness for a particular purpose and merchantability are hereby excluded and in no event shall HARMAN or any HARMAN subsidiary be liable for any indirect, direct, incidental, special or consequential loss or damages whatsoever (including, without limitation, other pecuniary loss) arising out of the use of or inability to use the Product, even if HARMAN and/or a HARMAN subsidiary have been advised of the possibility of such damages. To any extent that HARMAN cannot lawfully disclaim implied warranties under this Limited Warranty, all such implied warranties are limited in duration to the duration of this warranty. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or exclusions or limitations on the duration of implied warranties or conditions, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary by jurisdiction.

HOW TO OBTAIN WARRANTY SERVICE

Contact the dealer who sold you this Product, or contact JBL customer support using the contact information on the relevant country specific support website for your Product to request warranty service. To validate your right to this Limited Warranty, you must provide the original sales invoice or other proof of ownership and date of purchase. Do not return your Product without prior authorization from the corresponding dealer or HARMAN. Warranty repair of the HARMAN Product must be carried out by an authorized dealer or service center. Unauthorized warranty repair will void the warranty and is performed at your sole risk. You are also welcome to consult the relevant country specific HARMAN support website for your Product for

helpful hints.

WHO PAYS FOR WHAT

This Limited Warranty covers all expenses for labor and materials required for the repair OR replacement of the Product that is found to be defective, and a reasonable return shipping charge within the country of repair. Please be sure to save the original shipping carton(s), because a charge will be made for additional cartons/packaging.

You will be charged for the cost of examining a unit that is not in need of repair Oncluding resulting shipping costs), or for necessary repairs not covered by this Limited Warranty.

We sincerely thank you for your expression of confidence in JBL. We wish you many years of listening pleasure.

HARMAN PRODUCT WARRANTY AGAINST DEFECTS FOR AUSTRALIA

Ingram Micro Pty Limited (ABN 45 112 487 966) 01 6; u1.mning Avenue, Rosebery NSW 2018 ("Ingram Micro") is an authorized distributor of Harman International Industries Ltd products ("Products"). This warranty against

defects shall only apply to Products distributed by Ingram Micro and sold to you within Australia after 1 April 2016. Please refer to Harman's Limited Warranty enclosed here for further information on Product warranty.

Warranty against defects:

Harman Products come with guarantees that cannot be excluded under the Australian Consumer Law. During the warranty period, you are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced 1f the goods fail to be of acceptable quality and the failure does not amount to a major failure. Subject to the terms and conditions herein and Harman's Limited Warranty, Ingram Micro wi!I repair or replace without charge any manufacturing defects that appear in Harman Products within the warranty period identified for the product in the table below, commencing on the date of original purchase. You are entitled to have the defective Product repaired, replaced or a refund in accordance to your rights under law. The benefits given to you by this Warranty are in addition to other rights and remedies you may have under law and nothing in this Warranty purports to restrict, modify or exclude your legal rights as consumer under Australian Law. Register your JBL procluct at http://www.jblcom.au/support-warranty.html to ensure you receiveproduct and firmware updates.

How to Claim:

To make a claim under this warranty, you should contact the seller who sold you the Product. or contact the Harman customer support team at+ 61 2 9151 0376 or email support.apac@harman.com. You are responsible for the cost of returning the defective Product unless notified otherwise

IMPORTANT SAFETY INSTRUCTIONS

For all products:

For all products:

- Read these instructions.
- 2. Keep these instructions.
- 3. Heed all warnings.
- 4. Follow all Instructions.
- Do not block any ventilation openings. Install this apparatus in accordance with the manufacturer's instructions.
- Do not install this apparatus near any heat sources such as radiators, heat registers, stoves or other apparatus (including amplifiers) that produce heat.
- 7. Do not defeat the safety purpose of the polarized or grounding-type plug. A polarized plug has two blades with one wider than the other. A grounding-type plug has two blades and a third grounding prong. The wide blade or the third prong is provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
- Protect the power cord from being walked on or pinched, particularly at plugs, convenience receptacles and the point where they exit from the apparatus.
- 9. Use only attachments/accessories specified by the manufacturer.
- Use only with the cart, stand, tripod, bracket or table specified by the manufacturer or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over.

- Unplug this apparatus during lightning storms or when unused for long periods of time.
- To disconnect this apparatus from the AC mains completely, disconnect the powersupply cord plug from the AC receptacle.
- 13. The mains plug of the power-supply cord shall remain readily operable.
- Do not expose batteries to excessive heat such as sunshine, fire or the like.
- This apparatus is intended to be used only with the power supply and/or charging cable provided by the manufacturer.

CAUTION

RISK OF ELECTRIC SHOCK. 00 NOT OPEN.

THE LIGHTNING FLASH WITH AN ARROWHEAD SYMBOL, WITHIN AN EQUILATERAL TRIANG LE, IS INTENDED TO ALERT THE USER TO THE PRESENCE OF UNINSULATED 'DANGEROUS VOLTAGE"WITHIN THE PRODUCT'S ENCLOSURE THAT MAY BE OF SUFFICIENT MAGNITUDE TO CONSTITUTE A RISK OF ELECTRIC SHOCK TO PERSONS.

THE EXCLAMATION POINT WITHIN AN EQUILATERAL TRIANGLE IS INTENDED TO ALERT THE USER TO THE PRESENCE OF IMPORTANT OPERATING AND MAINTENANCE (SERVICING) INSTRUCTIONS IN THE LITERATURE ACCOMPANYING THE PRODUCT.

WARNING: TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS APPARATUS TO RAIN OR MOISTURE.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful Interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. CAN ICES-3(B)/NMB-3(B)

FCC SDOC SUPPLIER'S DECLARATION OF CONFORMITY

HARMAN International hereby dedares that this ~uipment Is In compliance with the FCC Part 15 Subpart B.

The dedaration of conformity may be consulted in the support section of our Web site, accessible from www.jbl.com

Federal Communication Commission Interference Statement

This equipment has been tested and found to comply with the limits for a Oass B digital device, pursuantto Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used In accordance with the instructions, may cause harmful Interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful Interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the Interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment Into an outlet on a drcuit different from that to which the receiver s connected.
- Consult the dealer or an experienced radio/TV technidan for help.

For Products That Transmit RF Energy:

FCC AND IC INFORMATION FOR USERS

This device complies with Part 15 of the FCC rules and Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) This device may not cause harmful Interference; and (2) this device must accept any Interference received, including interference that may cause undesired operation.

FCUIC Radiation Exposure Statement

This equipment complies with FCC/IC RSS-102 radiation exposure limits set forth for an uncontrolled environment For Wi-Fi SG device

FCC Caution:

High power radars are allocated as primary users of the 5.25 to 5.35 GHz and 5.65 to 5.85 GHz bands. These radar stations can cause Interference with and/or damage this device.

No configuration controls are provided for this wireless equipment allowing any change in the frequency of operations outside the FCC grant of authorization for US operation according to Part 15.407 of the FCC rules.

IC Caution:

User should also be advised that

- (i) The device for operation in the band 51SO- S250 MHz is only for indoor use to reduce the potential for harmful Interference to co-channel mobile satellite systems; (ii) the maximum antenna gain permitted for devices in the bands 5250 5350 MHz and 5470- 5725 MHz shall comply with the e.l.r.p. Itmit. and
- (iii) The maximum antenna gain permitted for devices in the band 5725 -5825 MHz shall comply with the e.i.r.p. Ilmlts specified for point-to-point and non point-to-point operation as appropriate.
- (iv) Users should also be advised that high-power radars are allocated as primary users (i.e. priority users) of the bands 5250- 5350 MHz and 5650- 5850 MHz and that these radars could cause interference and/or damage to LE-LAN devices.

Exposure of humans to RF fields (RSS-102)

The computen employ low gain integral antennas that do not emit RF field in excess of Health Canada limits for the general population; consult Safety Code 6, obtainable from Health Canada's Web site at http://www.hc-sc.gc.ca/

The radiated tnergy from the antennas connected to the wireless adaptm conforms to the IC limit of the RF exposure requirement regarding IC RSS-102, Issue 5 dause 4. SAR tests are conducted using recommended operating positions accepted by the FCC RSS with the device transmitting at Its highest certified power level in all tested frequency band without distance attaching away from the body. Non-compliance with the a restriction may result in violation of FCC RF exposure guidelines.

Use Restriction Attention In France, operation Is limited to indoor use within the band S150-S350MHz.

For Products with Radio Receivers That Can Use an External Antenna (USA ONLY): CATY (Cable TV) or Antenna Grounding

If an outside antenna or cable system is connected to this product, be certain that it is grounded so as to provide some protection against voltage surges and static charge5.

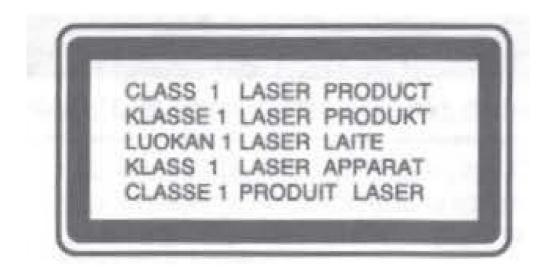

Section 810 of the National Electrical Code (NEC), ANSI/NFPA No. 70-1984, provides information with respect to proper grounding of the mast and supporting structure, grounding of the lead-In wire to an antenna discharge unit, size of grounding conductors, location of antenna discharge unit, connection to grounding electrodes and requirements of the grounding electrode.

Note to CATV System Installer:

This reminder is provided to call the CATV (cable TV) system installer's attention to article 82~ of the NEC, which provides guidelines for proper grounding and, in particular, specifies that the cable ground shall be connected to the grounding system of the building, as dose to the point of cable entry as possible. For CD/DVD/Blu-ray Disc• Players:

Caution:

This product uses a laser system. To prevent direct exposure to the laser beam, do not open the cabinet endosure or deflat any of the safety mechanisms provided for your protection. 00 NOT STARE INTO THE LASER BEAM. To ensure proper use of this product, please read the owner's manual carefully and retain It for future use. Should the unit requite maintenance or repair, please contact your local JBL service center. Refer servicing to qualified personnel only.

FOR ALL EU COUNTRIES:

For products that indude audio out Prevention of hearing loss

Caution: Permanent hearing loss may occur If earphones or & headphones are used at high volum e for prolonged periods of time. For France, the products have been tested to comply With the Soun d Pressure Level requirement laid down In the applicable NF EH 50332-1:2013 and/or EN 50332-2: 2013 standards as required by French Article L.5232-1

Note: To prevent possible hearing damage, do not listen at high volume levels for long periods. **WEEE Notice**

The Directive on Waste Bectrkill and Electronk Equipment (WEEEJ. which entered Into force as European law on 14/02/2014, resulted In a ma10r change In the treatment of electrical equipment at end-of-life.

The purpose of this Directive Is, as a first priority, the prevention of WEEE, and in addition, to promote the reuse, recyding and other forms of recovery of such wastes so as to reduce disposal. The WEEE logo on the product or on its box Indicating collection for electrical and electronic equipment consists of the crossed-out wheeled bin, as shown below.

This product must not be disposed of or dumped with your other household waste. You are liable to dispose of all your electronic or electrical waste equipment by relocating over to the specified collection point for recyding of such hazardous waste. Isolated collection and proper recovery of your electronic and electrical waste equipment at the time of disposal will allow us to help conserving natural resources. Moreovtr, proper recyding of the electronic and electrical waste equipment will ensure safety of human health and environment For more information about electronic and electrical waste equipment disposal, recovery, and collection points, please contact your local city ctnter, household waste disposal service, shop from where you purchased the equipment. or manufacturer of the equipment.

RoHS Compliance

This product is In compliance with Directive 2011/6S/EU and (EU)2015/863 of the European Parliament and of the Council of 31/0312015 on the restriction of the use of certain hazardous substances In electrical and electronic equipment

REACH

REACH (Regulation No 1907/2006) addresses the pioduction and use of chemical substances and their potential impacts on human health and the environment. Artide 33(1) of REACH Regulation requires suppliers to Inform the recipients if an article contains more than 0.1%

(per weight per artIde) of any substance(s) on the Substances of Very High Concern (SVHC) Candidate List ('REACH candidate list).

This product contains the substance lead" (CAS-No. 7439-92-1) In a concentration of more than 0.1% per weight At the time of release of this product, except for the lead substance, no other substances of REACH candidate list are contained In a concentration of more than 0.1% per weight In this product

Note: On June 27, 2018, lead was added to the REACH candidate list The inclusion oflead In the REACH candidate list does not mean that lead-containing materiak pose an immediate risk or results In a restriction of permissibility of Its use.

For Products That Include Batteries EU Batteries Directive 2013/56/EU

A new battery directive 2013/56/EU on Battery and Accumulator replacing oirective entered Into force on the 01/07/2015. The directive applies to all types of batteries and accumulators (AA, AAA, button cells, lead add, rechargeable packs) induding those incorpo1ated into appliances except for military, medical and power tool applications. The directive sets out rules for coHection, treatment, recyding and disposal of batteries, and aims to prohibit certain hazardous substances and to improve environmental performance of batteries and all operators in the supply chain.

Instructions for Users on Removal, Recycling and Disposal of Used Batteries To remove the batteries from your equipment° remote control, reverse the procedure described in the owner's manual for inserting batteries. For products with a bullt-In battery that lasts for the lifetime of the product, removal may not be possible for the user. In this case, recycling ° recovery centers handle the dismantling of the product and the removal of the battery. If, for any reason, It becomes necessary to replace such a battery, this procedure must be perfo,med by authorized service centers. In the European Union and other locations, it is illegal to dispose of any battery with household trash. All batteries must be disposed of in an environmentally sound manner. Contact your local wastemanagement of of information regarding the environmentally sound collection, recycling and disposal of batteries.

WARNING: Danger of explosion if battery Is incooectly replaced. To reduce risk of fire or bums, don't disassemble, crush, puncture, short external contacts, expose to temperature above 60" ((140"F), or dispose of In fire or water. Replace only with specified batteries. The symbol Indicating 'separate collection' for all batteries and accumulators shall be the crossed-0111 wheeled bin shown below:

In case of batteries, accumulatoo and button cells containing more than 0.000S % mercury, more than 0.002 96 cadmium Of more than 0.004 % lead, shall be marked with the chemical symbol for the metal concerned: Hg, Cd or Pb respectively. Please Refer to the below symbol:

WARNING

NOT INGEST BATTERY, CHEMICAL BURN HAZARD [The remote control supplied with This product contains a coin/button cell battery. If the coin/button cell battery is swallowed, it can cause SMre Internal bums In just 2 hours and can lead to death. Keep new and used batteries away from children. If the battery compartment does not dose securely, stop using the product and keep it away from children. If you think batteries might ha" been swallowed or placed Inside any part of the body, seek immediate medical attention.

For All Products Except Those with Wireless Operation:

HARMAN International hereby declares that this equipment is in compliance with the EMC 2014/30/EU Directive, LVD 2014/35/EU Directl'tt. The declaration of conformity may be consulted in the support section of our Web site, amssible from www.jbl.com.

For All Products with Wireless Operation:

HARMAN International hereby declares that this equipment Is In compliance with the essential requirements and other relevant provisions of Direction 2014/53/EU. The declaration of conformity may be consulted in the support section of our Web site, accessible from www.jbl.com.

HARMAN International Industries, Incorporated. All rights reserved. JBL is a trademark of HARMAN International Industries, Incorporated, registered In the United States and/or other countries. Features, specifications and appearance are subject to change without notice.
