Safety Warnings

- Keep these instructions.
- Nonuser replaceable light sources.
- Uncoil the light strip before use.
- Do not drop, puncture, open, cut, or disassemble this product
- Do not install this product in any way other than what is outlined in this guide.
- Do not place this device on hot surfaces.

- Only use the adaptor supplied; using a different adaptor can damage the device.
- Do not submerge the strip or the power supply unit in water.
- Avoid long exposure to direct sunlight, which may cause damage
- Do not use this product in small, enclosed locations that could limit the flow of air or trap excess heat.
- Do not expose this product to open flames or use near fire.
- Do not use the product in a strong magnetic field.
- Do not use this product for emergency lighting/exits.
- Do not allow small children to operate, modify, or install this device unsupervised.
- Use a clean, soft cloth to clean – do not use any cleaning agents to clean.
- Manage in accordance with disposal laws in your area.
- Do not clean the device when it is on and connected to the power supply.
- Do not connect the light strip to the power supply while it is in the packing or wound onto the reel.
- Do not use the rope light when covered or recessed into a flat surface.
- Not intended for illumination. Only use for ambiance.

California Proposition 65

WARNING:

This product can expose you to a chemical such as Cadmium which is known to the state of California to cause cancer or birth defects or other reproductive harm. For more information go to www.p65warnings.ca.gov/product

NOTICE OF COMPLIANCE

Changes or modifications not expressly approved by Jetson could void the user's authority to operate the equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. this device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance 20 cm between the radiator & your body.

- Damage or failure due to accident, misuse, abuse, or neglect
- Labor charges for part replacement or changeover
- Non-proprietary products (any other original part or component) covered by the original manufacturer's warranty
- Any accessories

Specs & Features

- WATTS: 1.5W
- BATTERY: RECHARGEABLE 1000MA/3.7V
- CHARGER: DC5V MICRO USB
- CHARGING TIME: UP TO 3 HOURS
- SENSOR DISTANCE: UP TO 16.5FT
- OPERATING TEMPERATURE: BETWEEN -4F AND 113F
- LED STRIP WATER RESISTANCE RATING: IP44 SPLASHPROOF
- MOTION SENSOR CONTROLLER WATER RESISTANCE

RATING: IP20 NOT WATER RESISTANT

What's in the Box

1. LED STRIP LIGHTS
2. MOTION SENSOR CONTROLLER
3. USB CHARGING CORD
4. MOUNTING ADHESIVE

..... MOTION SENSOR CONTROLLER

Get Started

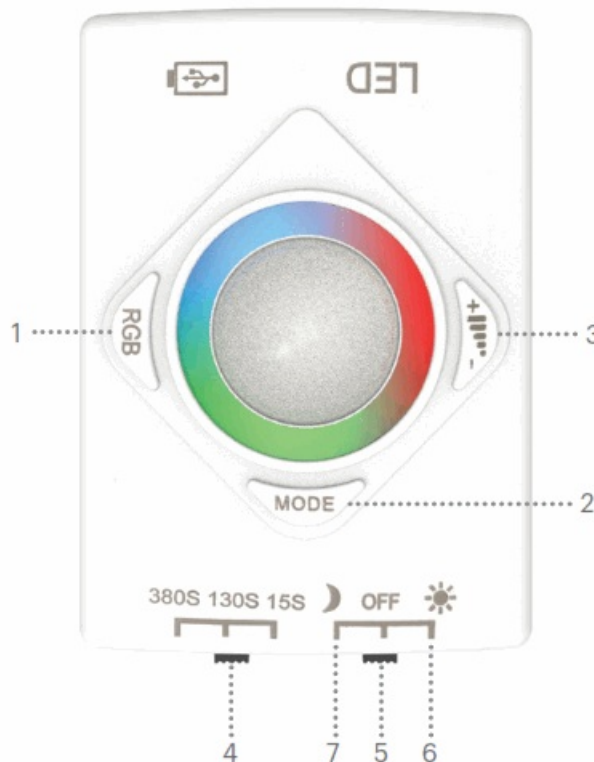

1.1 Preinstallation

- CHECK THAT YOU HAVE EVERYTHING. BOX SHOULD CONTAIN AMBER LIT STRIP, MOTION SENSOR CONTROLLER, USB CHARGING CORD, AND MOUNTING ADHESIVE.

1.2 Installing Your Lights

- MAKE SURE THE MOTION SENSOR IS CHARGED USING THE USB INCLUDED.
- AFTER IT IS CHARGED, PLUG THE END OF THE LIGHT STRIP INTO THE MOTION SENSOR PORT.
- WIPE DOWN AND CLEAN THE SURFACE YOU'RE PLANNING TO PLACE YOUR LIGHTS ON.
- THE CIRCULAR MAGNET INCLUDED WILL ATTACH TO THE BACK OF THE MOTION SENSOR CONTROLLER. SECURE THE 3M ADHESIVE INCLUDED TO THE EXPOSED SIDE OF THE MAGNET TO MOUNT TO THE WALL.
- PEEL OFF THE PROTECTIVE TAPE ON THE BACK OF THE LIGHTS AND MAGNETIC MOTION SENSOR MOUNT.
- PLACE LIGHTS ONTO SURFACE AND MOTION SENSOR ONTO MAGNET. PRESS DOWN TO MAKE SURE ADHESIVE IS FIRMLY SECURED TO SURFACE.

Operating the Motion Sensor
