JLAB EPICMOUSE Multi-Device Advanced Wireless Mouse with Infinity Scroll

Product Specifications

- **Model:** V1.0 V1.1
- **Manufacturer:** Jerry Ji
- **Dimensions:** 1.98*155mm
- **Weight:** 2.157g/42
- **Compliance:** REACH, RoHS

Product Usage Instructions:

Unboxing and Setup:

When you receive the product, carefully unbox it and check for any visible damage. Follow the included instructions to set up the product for first-time use.

Powering On:

To power on the device, locate the power button and press it for a few seconds until the device boots up.

Connectivity:

Ensure that the product is in pairing mode if it requires connection to external devices such as smartphones or computers. Follow the pairing instructions in the manual.

Usage:

Use the product according to its intended purpose as described in the manual. Avoid using it in extreme conditions that may damage the product.

Maintenance:

Regularly clean the product using a soft, dry cloth to remove any dust or debris. Avoid using harsh chemicals that may damage the surface.
