**Johan Lewis
Mushroom Table Lamp
User Manual**

Thank you for purchasing this Mushroom table lamp. Please read the instructions carefully before use to ensure safe and satisfactory operations of this product.
Please keep this instruction for future reference.

Warnings!

The supply cable runs through the inside of this product. Take care not to place undue stress on the cable whilst unpacking to prevent the possibility of a poor connection.

If you are in any doubt consult a person competent to give advice on the assembly of electrical equipment.
If the external flexible cable of the lamp is damaged it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.

To prevent electrocution switch off at the mains supply before assembling or maintaining this fitting. Ensure the plug is not connected to any power supply and read instructions before assembly.
Always be sure to use the correct type and wattage of bulbs as indicated on the fitting. Never exceed the wattage stated.

When changing the bulb, always switch off at the mains and allow the old bulb to cool down before handling.
Dispose of used bulbs carefully.

Caution! The bulb and surrounding parts can become hot during use.

For indoor use only.

Care instructions

We recommend cleaning with a soft dry cloth. Do not use abrasive materials as these will damage the finish.
Replace bulbs from John Lewis or established brand of the same type and compatibility.

Parts list

	Part List	Qty		Part List	Qty	Part list	Qty	
A		2	C		2		1	E
B		1	D		1			

Assembly

Never install your appliance on a wet, freshly painted surface. Ensure to off at the mains supply before assembling or maintaining this fitting.

Step 1

Unpack the product and remove all packaging. Be careful not to scratch the surface of the product whilst removing the wrapping.

Step 1

Place the shade over the table lamp and align the holes in the shade with the holes in the lamp plate. Secure the shade by fitting the protective washers to the screws and then tighten the screws using the screwdriver provided. If cross threading occurs, undo and start again. Take care not to overtighten as this may cause damage to the fitting.

Step 2

Fit the bulb, type and wattage as indicated on the fitting (bulb not supplied). The wattage indicated must not be exceeded.

Your table lamp is now ready for use.

Recommended bulb

- 1 x 3-6 Watt SES energy efficient LED GB

Specification

- Max power: 25W
- Voltage: 220~240V, 50/60Hz
- IP20
- Weight 1.9Kg

Please retain these instructions for future reference.

This symbol indicates that this product should not be treated as normal household waste and it should be recycled. John Lewis does not operate in-store take back, but as members of the Distributor Take Back scheme have funded the development and upgrade of recycling facilities across the UK. Please take it to your nearest collection facility or for further details contact your local council or visit www.recycle-more.co.uk.

Trouble Shooting:

Why is the light not working when switched on?

Check your power supply is switched on Turn off light and check that the bulb is inserted correctly Check the bulb is still in working order.
