Calmi on Pram Mode 180 Degree Lie Flat Car Cot

Child height 40cm-70cm

Child weight $\leq 9\text{kg}$

Welcome to Joie™

You have purchased a high quality, fully certified child safety child restraint. This product is suitable for the use of children with height 40cm- 70cm/weight≤9kg.

IMPORTANT: KEEP FOR FUTURE REFERENCE. PLEASE READ CAREFULLY.

Complies with European standard EN 1466:2014/AC:2015 and EN 1888-1:2018, Please carefully read this manual and follow each step to ensure a comfortable ride and best protection for your child. If in doubt, consult either the Enhanced Child Restraint System manufacturer or the retailer.

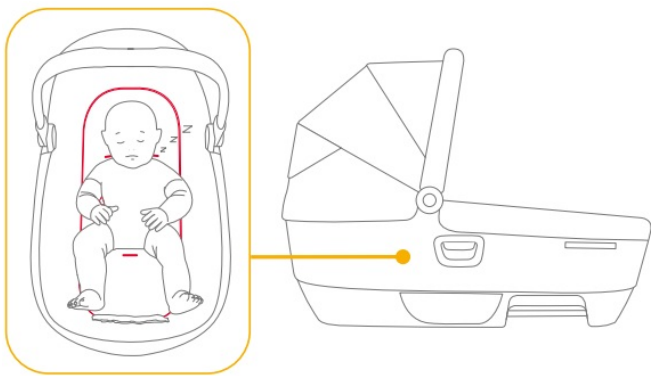

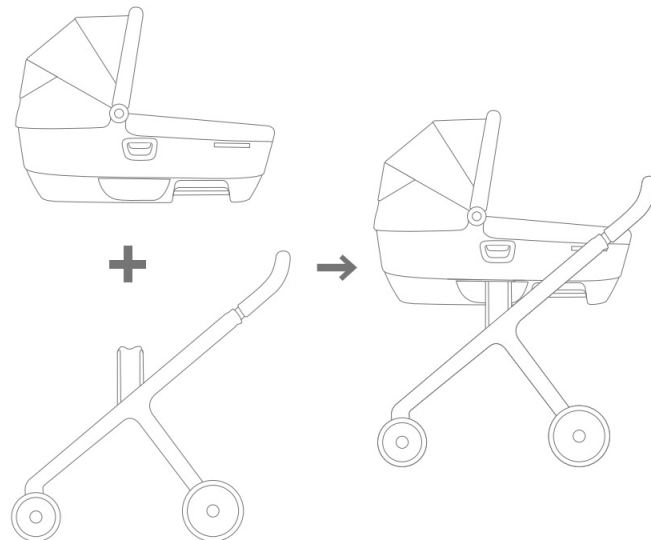

Emergency

In case of emergency or accidents, it is most important to have your child taken care of with first aid and medical treatment immediately.

Child Usage Requirements

This product is suitable for use with children who meet the following requirements:

Installation Modes	Suitable for
	Child height 40cm-70cm according to standard EN 14 66:2014/AC:2015
	0-9kg according to standard EN 1888-1:2018

WARNING

! CAREFULLY read the warnings given in the separate Safety Manual to ensure a secure usage of the product.

Product Use

Canopy

see images 1 – 3

1. Pull up the canopy as illustrated while pressing the buttons on both sides. **1**
2. Check to make sure the handle is secure before placing the child in the carry cot. **2-1**
! Make sure that the handle is in the correct position of use before carrying or lifting.
3. The canopy window can be opened for ventilation.

Attaching to Stroller Frame

see images 4 – 8

1. To attach the post adapters, place the post adapters on the seat mounts. A “click” sound means the post adapters are attached. **4, 5**
2. Place the carry cot directly down until it latches into place. The carry cot is securely attached with a positive “click”. **6**
 ! Please check that the mesh at the bottom of the carrycot is properly fixed before installing carry cot.
 ! Always remove the stroller seat before using the carry cot.
 ! Do not fold the stroller when the carry cot is still attached.
3. The carry cot can be installed rear facing on the post adapters. **7**
 The carry cot can be used with Joie Versatrax™ or Finiti™ or Aeria™ strollers.
4. To remove the carry cot, squeeze the carry cot release buttons on both side of the carry cot and lift up. **8**

Carrycot Usage

see images **9 – 16**

1. Undo the buckle by pressing the red button. **9**
2. Please remove shoulder harness covers, crotch harness cover and infant insert. **10, 11**
3. Put the shoulder harness and crotch harness through the mattress and into the storage box. **12, 13**
4. Please do not use the restraint system when using the carry cot by itself. **14, 15, 16**

Please make sure to use the carry cot cover when using calmi as carry cot.

Rain Cover Instructions

see image **17**

To assemble the rain cover, place it over the carry cot. **17**

! Before using the rain cover, make sure the carry cot has been fastened.

! Please always check the ventilation, when the rain cover is on the carry cot.

! When not in use, please check that the rain cover has been cleaned and dried before folding.

! Do not place your child into the carry cot with rain cover during hot weather.
