- 9 Documents / Resources**
  - 9.1 References**

### **Quality Guarantee**

JOOLA is one of the most recognized table tennis brands in the world. Our products are designed to follow the latest safety regulations and are consistently undergoing quality control procedures. The results from these processes are continually used to improve and develop our products. In order to offer our customers the very best products, we reserve the right to make technical changes at any time. If you would like more information, please contact your JOOLA representative.

### **For Your Safety**

- Please read all safety instructions and directions before assembly. Table is heavy and may require TWO PEOPLE to lift.
- Only use the table tennis table for its intended purpose (JOOLA cannot be held liable for damage or injury due to improper use of the table).
- Damaged or worn parts may be dangerous for users and the table tennis table. Replace worn or damaged components immediately and do not use the table until these issues have been resolved. For best results, use

only spare parts manufactured by JOOLA.

- Unauthorized repairs or alterations to the design (removal of original parts, addition of other components etc.) may be dangerous.
- When setting up or dismantling the table, be sure to stay clear of its folding radius.
- For outdoor tables, be sure to store the table in a sheltered place. When folded up, the table tennis table is vulnerable to strong winds.
- Only push the table tennis table when it is in the transport/storage position.
- Check all screws, bolts, etc. on a regular basis to ensure that they are in good working condition.
- Please contact your JOOLA representative if you have any questions.

## Handling Equipment and Maintenance

- Make sure that the table tennis table is fully and accurately assembled before use.
- The table should not be moved, assembled or stored by children without adult supervision.
- Set the table up on a level surface.
- Do not cover it with plastic foil because condensation may form beneath it.
- For practicing alone, the table halves can be folded up separately for use of the playback feature. Be sure that one is capable of handling the weight when lowering the table half.
- Do not use corrosive or abrasive materials to clean the equipment as it may damage the surfaces of the table. In most cases, a slightly dampened cloth is sufficient.

**FIG.9**

Remove the net set

## USAGE INSTRUCTIONS

### Unfolding the Table:

When unfolding the table, the first step is to lock the casters. Then, take caution so that all areas around you are clear. Please remember, the table is very heavy. If you are worried that it may be too heavy, it is recommended that at least two people unfold the table. To unfold the table, push on the lock to release the table from the storage position. After unlocking the table, slowly lower the table half down. Do the same for the other half. Check to make sure that the locking hinge bar attached to each leg of the table is straight (locked). Then install the net and post set, and enjoy the table tennis table.

### Folding the Table:

To fold the table into storage position, the first step is to lock the casters. Next, ensure that the net and post set have been removed from the table. Failure to do so could cause damage to the table when trying to fold the table with the net and post set still attached. Then, unlock (by bending) the locking hinge bar to enable the H-bar to be stored against the bottom of the table surface. Please remember that the table is very heavy. Ensure that you have enough ceiling height to raise the table half. If you are worried that the table will be too heavy for you to lift, it is recommended that at least two people fold the table. Raise the table half to the vertical position until you hear a loud clicking noise and make sure that the lock is fully engaged.

### Playback Position:

Playback position is achieved by unfolding one half of the table and folding the other half. Make sure that the locks

of the folded half are fully engaged. Always use the locking casters and place them in lock position when the table is in playback position for added safety.

**Leveling:**

The table comes with leveling feet. Spin the leveling feet to adjust the height and make the table level.

**Using the locking casters**

When the table is in storage position, or in play position, please remember to always lock the casters for added safety.

## **LIMITED WARRANTY**

### **Table Tennis Table Limited Manufacturer Warranty US and CANADA ONLY**

The Company warrants the table to be free from major defects in workmanship and materials when used for the intended purpose under normal use and conditions FOR A PERIOD OF 1\*

YEARS FROM THE DATE OF RECEIPT ON ORIGINAL PURCHASE in the United States and Canada.

### **What is Covered:**

- This warranty covers all defects in materials, missing parts, and workmanship.

How to Submit a Warranty Claim:

- You must include THE ORIGINAL COPY OF

### **YOUR SALES RECEIPT.**

- You must submit a Customer Service Case through our case portal located on [www.JOOLA.com/contact-us](http://www.JOOLA.com/contact-us) to notify the company of the nature of the problem.
- You must also include your name, address, daytime telephone number, model number of the Product (located next to the barcode) and a description of the problem.

**What Voids this Warranty:** This limited Warranty is void if the Product is

- Damaged through improper usage, negligence, acts of nature, or accident (including failure to follow the instructions supplied with the product).
- Used in commercial applications or rentals.
- Modified or repaired by anyone not authorized by the Company.

### **What the Company Will Cover:**

If during the Limited Warranty period, any part or component of the Product is found by the Company to be defective, the Company will, at its own discretion:

- Refund partial or the full amount of the original purchase price.
- Replace the defective part or Product with a new part or Product (either the same model or of equivalent value).
- If Purchased on another retailer's site, request the original place of purchase to replace the Product within their standard practices.

The Company's obligation to refund, replace or exchange the part or Product, however, shall not exceed the amount of the original purchase price of the Product. The Company shall not be liable for loss of use of the product or other consequential or incidental costs, expenses, or damages incurred by the customer.

\*The shipping costs of the replacement part or Product will be covered by the Company up to 12 months following the date of purchase, after that which the customer is responsible for the shipping fee associated with the replacement part or product.

VISIT [WWW.JOOLA.COM](http://WWW.JOOLA.COM) FOR ALL YOUR TABLE TENNIS PRODUCT NEEDS About JOOLA

A leader in table tennis since 1953, JOOLA creates a wide variety of table tennis rackets, apparel, tables, and accessories to support players of all levels throughout their entire table tennis journey. As the official table sponsor for the 1996 Atlanta, 2000 Sydney and 2004 Athens Summer Games and current sponsor of multiple international competitions, JOOLA has grown its fan base to become one of the most respected table tennis brands in the world.

#### Customer Service

WEB: <https://www.joola.com/contact-us>

Please review the replacement parts list to make sure that all parts are present before beginning assembly. For questions or missing/damaged parts, please contact us.

Remember to keep your proof-of-purchase with your manual. The model number and proof-of-purchase will be required to receive customer service and warranty services.
