Attentions

- **Before use:**
  - Do not leave it under direct sunlight or by heaters. It maybe discolored or damaged.
  - Do not place this product in any humid, dusty, or vibrating locations.
  - Use a soft, dry cloth for cleaning instead of any volatile solvent.
  - When the device is not in use for a while, please turn off the power.
  - Fold the arm when the product will not be used for long time.
- **During use:**
  - Please prevent children from operating the device without supervision.
  - Recommended environmental conditions: Temperature: 0°C – 40°C (32°F – 104°F).
  - **Humidity:** 30% – 85% (No condensation).
  - Use the product on a stable base, desk, or table.
  - Do not point the camera lens directly at the sun. It may be damaged and fails to take pictures.
  - The product may not be operated properly if a USB hub is used to connect the product and a PC.
  - Be careful to prevent the unit from dropping or overturning.
  - Please prevent the camera head to hit the desk top or any other hard objects, or it can be damaged easily.
