JULIUS ZOLLNER Changing Mat Softy

Product Information

Specifications:

- Brand: Softy Changing Pad
- Manufacturing Location: Bayern, Germany
- Material: High-quality waterproof PVC film
- Weight Capacity: Up to 9 kg
- Certification: OEKO TEX Standard 100

Product Usage Instructions

Important Safety Instructions:

- Never leave the child unattended on the changing pad.
- Do not use the changing pad on an elevated surface.
- Avoid moving or lifting the changing pad while the infant is on it.
- Avoid placing the changing pad near open flames or intense heat sources.
- Discontinue use if the changing pad is damaged.

Important Usage Instructions:

1. Ensure the changing pad is used on suitable changing facilities with matching dimensions.
2. Protective edges of the changing facility should be at least 7cm high on the head side and both sides.
3. Only use the changing pad for household purposes and avoid non-domestic environments.
4. The changing pad is suitable for infants up to 9 months of age and weighing up to 9 kg.

Cleaning and Maintenance:

- Wipe the PVC film with a damp cloth for cleaning.
- Immediately remove residues of baby cream or oil after each use.
- Avoid using disinfectants for cleaning.

Frequently Asked Questions (FAQ):

- **Q: Can the changing pad be used for babies over 9 kg?**

A: No, the changing pad is recommended for infants weighing up to 9 kg only.

- **Q: Is the changing pad suitable for commercial use?**

A: No, the changing pad is intended for household use only and should not be used in non-domestic environments.

- **Q: How do I clean the changing pad?**

A: Use a damp cloth to wipe the waterproof PVC film. Avoid using disinfectants during cleaning.

WARNINGS

SOFTY CHANGING PAD

- **WARNING!**

Never leave the child unattended – the child must always be within reach.

- **WARNING!**

Never use the changing pad „Softy“ on an elevated surface (e.g., table).

- **WARNING!**

Do not move or lift changing pads while the infant is on them.

- **WARNING!**

Keep away from open flame and other sources of intense heat, such as electric heaters, gas heaters, etc.

- **WARNING!**

Do not continue to use the changing pad if damaged.

IMPORTANT INSTRUCTIONS

1. Ensure that the „Softy“ changing pad is only used on changing facilities that meet the following criteria:
 - The dimensions of the changing facility's pad match those of the changing pad.
 - Ensure that the protective edges of the changing facility are at least 7 cm high on the head side and both sides.
2. The changing pad is intended for household use only and should not be used in non-domestic environments.
3. The changing pad is intended for children up to 9 months of age and weighing up to 9 kg.

CLEANING AND CARE

- The high-quality, waterproof PVC film can be wiped with a damp cloth.
- Remove residues of baby cream or baby oil immediately after use.
- Avoid disinfectants when cleaning.
