iOS	21.2.2.0	2021 April

In the February 2023 release of Juniper Secure Connect, we've published the software version number 22.2.2.2 for iOS.

**Table 4: Juniper Secure Connect Application Release for Android Operating System**

Platform	All Released Versions	Released Date
Android	24.1.5.30	2024 April

Android	*22.1.5.10	2023 February
Android	21.1.5.01	2021 July

Platform	All Released Versions	Released Date
Android	20.1.5.00	2020 November

- In the February 2023 release of Juniper Secure Connect, we've published the software version number 22.1.5.10 for Android.
- For more information on Juniper Secure Connect, see Juniper Secure Connect User Guide.

## What's New

- IN THIS SECTION
- Platform and Infrastructure | 3
- Learn about new features introduced in the Juniper Secure Connect application in this release.

## Platform and Infrastructure

- Includes general bug fixes and improvements to enhance the stability of the application.

## What's Changed

- There are no changes to the Juniper Secure Connect application in this release.

## Known Limitations

- There are no known limitations for the Juniper Secure Connect application in this release.

## Open Issues

- There are no known issues for the Juniper Secure Connect application in this release.

## Resolved Issues

- There are no resolved issues for the Juniper Secure Connect application in this release.

## Requesting Technical Support

### IN THIS SECTION

- Self-Help Online Tools and Resources | 5
- Creating a Service Request with JTAC | 5

Technical product support is available through the Juniper Networks Technical Assistance Center (JTAC). If you are a customer with an active J-Care or Partner Support Service support contract, or are covered under warranty, and need post-sales technical support, you can access our tools and resources online or open a case with JTAC.

- JTAC policies—For a complete understanding of our JTAC procedures and policies, review the JTAC User Guide located at <https://www.juniper.net/us/en/local/pdf/resource-guides/7100059-en.pdf>.
- Product warranties—For product warranty information, visit <http://www.juniper.net/support/warranty/>.
- JTAC hours of operation—The JTAC centers have resources available 24 hours a day, 7 days a week, 365 days a year.

## Self-Help Online Tools and Resources

For quick and easy problem resolution, Juniper Networks has designed an online self-service portal called the Customer Support Center (CSC) that provides you with the following features:

- Find CSC offerings: <https://www.juniper.net/customers/support/>.
- Search for known bugs: <https://prsearch.juniper.net/>.
- Find product documentation: <https://www.juniper.net/documentation/>.

- Find solutions and answer questions using our Knowledge Base:  
<https://kb.juniper.net/>.
- Download the latest versions of software and review release notes:  
<https://www.juniper.net/customers/csc/software/>.
- Search technical bulletins for relevant hardware and software notifications:  
<https://kb.juniper.net/InfoCenter/>.
- Join and participate in the Juniper Networks Community Forum:  
<https://www.juniper.net/company/communities/>.

To verify service entitlement by product serial number, use our Serial Number Entitlement (SNE) Tool: <https://entitlementsearch.juniper.net/entitlementsearch/>.

## Creating a Service Request with JTAC

You can create a service request with JTAC on the Web or by telephone

- Call 1-888-314-JTAC (1-[888-314-5822](tel:8883145822) toll-free in the USA, Canada, and Mexico).
- For international or direct-dial options in countries without toll-free numbers, see <https://support.juniper.net/support/requesting-support/>.

## Revision History

- 10 June 2025—Revision 1, Juniper Secure Connect Application
